CAMPAIGN THUNDER.

Jimmy Blaine, all the way from Maine, has been heard from. He promised the party that Maine should this year give 10,000 in September and 20,-900 in Nevember. The promise is more than redeemed. Maine gives 16,-900 instead of 16,000 in September, and will undoubtedly make the promised 20,000 in November 30,000.
