OLD SETTLER

In our last issue, we spoke of an appearance of a grave on the hill near the Episcopal Church. Thursday, Sept. 21, the body was exhumed by the Marshal, Des. Livingston, Schindicht, McCrea and Root, examined the remains but could not exactly agree whether they were the bones of a man or woman.

Editor HERALD:—I see by the HERALD of the 21st, that as a team was passing up the hill near Mr. E. B. Lewis' the wheels broke through the ground and a coffin was discovered. I know that there is a grave somewhere near that place, I was living on the east bank of the Missouri River in the years of 1830 and 1831.
