Read our Pro Rata Record.

The opposition is without a name even. We asked Winslow about it.

We have received the Beaver City Enterprise, from Hon. Jno. Barnes, we suppose.

The Saline Co. Post has hired Victor Hugo for a special correspondent. Vive la Hugo—Hic!

Republicans please report items of interest and political news to this paper at once, during this campaign, and oblige.

Please send the paper the vote from each precinct at once after election day, as we will go to Press Wednesday afternoon, that all may get their paper early.

Do not forget the importance of sending in report of vote to the HERALD, on election day, as far as known. From Republican or opposition. Send it along.

Now is the Summer of our discontent made glorious Winter by the blunders of our adversaries, in nominating a cross-grained, tangle-haired, web-footed mongrel ticket, neither Democratic, Liberal, Greenback or Reform.

"Anything to beat Grant," and Grant isn't up. So it's anything to beat the Republicans. Sell your manhood, your principles, your faith—only beat the Republican party. That's all there is of it. That's a good showing for the poor men, for the laboring men—the honest men.

Many questions have been asked us about Naturalization papers. By the new Constitution they must be taken out 80 days before an election, and all that have not done so ere this are debarred from voting at this election and their votes can be properly challenged.

PRO RATA.

It is claimed that the Republican party is against Pro Rata. Let us see the record.

On the evening of the first of April, 1876, a mass meeting was held in Plattsmouth, at which the very first urgent, earnest pro rata resolutions were passed that were ever put forth in the State.

That meeting was called by Republicans, called by a Republican newspaper, and the resolutions printed in a Republican newspaper, and scattered broad cast over the land. Every man on that committee were Republicans. At a County Convention held at Plattsmouth, Sep. 13th, the Rep. party of Cass, by its authorized delegates, in Convention assembled, passed this:

Resolved, That it is the sense of this convention that the so-called Pro Rata measures pending before the late Congress, should and ought to become a law, and that we instruct our delegates to the coming Republican Convention to use all honorable means to place men in power friendly to such legislation.

To use all "honorable means," and yet we are not in earnest, further:

The delegation from Cass did use such means, and the Republican party of the State made its record on pro rata, thus:

Eleventh—That we are in favor of such legislation by our state and national legislatures as will secure a pro-rata tariff of charges, adjusted upon just and equitable terms between all connecting lines of railroad within the limits of the state.

Again, the County Convention at Weeping Water passed this resolution:

RESOLUTIONS.

The Republicans of Cass County through our Representatives in Convention declare:

1st. We heartily endorse the ticket and platform adopted by the Republican Party of Nebraska in State Convention at Lincoln.

2d. The eleventh resolution of the Republican State Platform, declaring for legislation by our State and National Legislatures as will secure a pro-rata tariff of charges, adjusted upon just and equitable terms, between all connecting lines of railroad within the limits of this State, meets our cordial approval, and our Senators and Representatives in the Legislature are instructed to favor such legislation by the State, and to support no man for U. S. Senator who is not pronounced in favor of a pro rata law.

We are in favor of retirement in the administration of our local affairs, and as one of the means to attain that end, are in favor of limiting strictly the power of county and municipal authorities in the levy of taxes, so that the burden of taxation shall be reduced to meet only the absolute demands of our county and municipal governments.

4th. We are in favor of a fixed salary for all officials, sufficient to secure the services of honorable and competent men, and providing that all revenue derived from fees in excess of such salary shall be paid into the State, County and City Treasurers.

J. W. JOHNSON, HENRY EISENBERG, T. N. NORRITT, J. P. POLK.

Now show us the Democratic platform, or the Greenback platform, that mentions pro rata, until long after ours was in the field. Show us the prominent Democrat that advocated it, or the Independent. Never! until the other day at Eight Mile Grove they followed in our wake, and passed, at this late hour, a resolution, endorsing "The Crouse Bill."

File the HERALD.

Keep this Pro Rata business before the people.

Remember the Mass Meeting at Eight Mile Grove, Tuesday Oct. 31st.—Big Speaking, Band, &c.

J. N. Wise says the Hybrid ticket is the best ticket in the County. We say the Republican is the best. Vote it.

Mr. A. V. Herman has been placed on the Democratic ticket for State Treasurer in the place of Sam'l Waugh, resigned.

The "what is it" is in the field. It's hard work to fight an animal without a name, but for once it must be done. Shake 'em up lively this fall and there won't be so many to beat next year.

We think the Republican resolutions covered all the Democratic gentlemen attempt to cover in regard to economy, pro rata or anything else, and ours were passed much earlier. These are merely a copy. Come along, boys, some day you'll catch up with us, maybe.

Organize, organize, Republicans. Organization is the secret of victory. It beats all the speeches, all the tracts, all the street gab on earth. Have a Hayes & Wheeler club in every precinct, at every School House. Be up and doing. Get ready for your speakers. See that every man that votes is out and all the ladies. Now is the accepted time, and we to the sluggard.

In Greenwood precinct there are no "Election Notices" now up, nor have any been visible there lately. The extraordinary economy of the County Commissioners declined to publish the Election Notice in the HERALD as has always been done hitherto, and the people very justly find fault. There is no economy in trying to keep any business from the people, and they do not ask such short sighted and penurious acts.

The Rep. Central Com. of Cass county met at "Duke's Hall," in Plattsmouth Oct. 2d, for organization and business. Jno. A. MacMurphy was elected permanent chairman, and Thos. Pollock permanent Sec'y. 13 wards and precincts were represented. An Executive and Finance Committee was appointed, and the business of the campaign thoroughly mapped out and entered upon. The cry is "up guards and at 'em."

The Asland Times is very hard on us poor fellows from Cass. It says: "Sam. Chapman thinks Saunders Co. is a bad county to depend on a vote from," and that Capt. Payne, ex-sheriff Johnson, Postmaster Marshall and Cal. Parmele are "cross-roads Politicians." Now that's rough. We thought Cal. Parmele, at least, had done a good deal for Saunders Co. and not long ago talked of moving up there bag and baggage. He is a good citizen is "Cal," and we don't want to lose him. Under the circumstances we guess he won't move to Saunders just yet. As to Saunders being a "bad 'un," that is the Times' own opinion of his own county, not ours, or Sam's. "Sam" says it will go 300 for Barker, and it will. Saunders is a good county when you get at her folks right.

BEAR THIS IN MIND.

We want not only a good vote, but a big Republican vote out from every ward and precinct. All new appointments and distribution of delegates for the next two years will be based on the votes cast at this general election, therefore it behooves every working voter that takes an interest in having his precinct well represented hereafter, to turn out now and to help get every Republican out on Nov. 7th.

Keep the HERALD this week.

Mr. E. S. Ballou of Saunders Co. is the Independent nominee in the Float district. He'll go up in a Balloon when Mr. Barker gets after him.

October 24th, 1876.

Ed. HERALD:—As the false issue is sought to be made by certain opponents, placing the Republican ticket, nominated at Weeping Water, before the people of the County as opposed to pro rata, at the earnest solicitation of many good friends, I desire to say to the electors of Cass county, that long before the present campaign was agitated, I was, and am now, in favor of a pro rata law, just in its provisions, and applying to all rail roads in the State. That personally I have spent considerable time, and have been to considerable expense, since the agitation of the so called pro rata question in our State, to secure a fair pro rata law. That if returned to the State Senate, I shall use my best endeavors to secure and elect a good man to the U. S. Senate, who is in favor of the passage of such a law, and that I shall not support any man who is not known to be positively and earnestly in favor of such legislation. Moreover, I am not pledged to any man, or the friends of any man, for position of U. S. Senator, and if I go to the Senate I shall go a free man, to do what is deemed best for my constituents.

SAM M. CHAPMAN.

A CARD FROM CUNNINGHAM.

Ed. HERALD:—The following is a true copy of the political document produced by one Wheatly Mickelwait, upon which the nameless ticket of Mickelwait & Co. nominated at Eight Mile Grove expects to ride into power with the people of Cass County. This letter and its Foster Father has a history brief and racy, which I happen to possess, and which I propose to give to the public. Here is the document which the Reform Managers of the Mickelwait movement refuse to publish, but boast they intend privately circulating through Cass Co. to accomplish their own ends:

POST OFFICE N. J. SHARP, POSTMASTER. OGDEN CITY, UTAH, (Oct. 17th, 1876.)

[This strictly confidential now.]

DEAR WHEATLY:—I received a letter from Senator Hitchcock, and he wants help, so he says, in Cass Co.

Now Wit, I will tell you that there is some money in this campaign, I think in Cass Co. I will tell you what I will do. I will write to Chapman and Gen. Cunningham so as to pave the way for them to go to you and have a talk, "medicine" talk, and to Wing too. Dr. Miller is for Hitchcock and anything you do for Hitch will not compromise you with the Democratic party in this respect. I have said to the Senator that I would write you; that you was a snide politician, and wielded a large influence, and to secure your influence would be no small job, do you say. I am coming down if Nan gets back in time. That is if we don't all have the small pox the town is full of it.

Write me just how things stand there. Give me all the particulars. All will send love. Your brother

(A TRUE COPY.) W. MICKELWAIT J. N. WISE

The above letter speaks an unmistakable language of its own.

I do not believe for one moment that the writer of such a letter is authorized to speak for either Dr. Miller or Senator Hitchcock, and reference to those gentlemen is only the recommendation one blackmailer would make to another as an inducement to undertake the job.

Sharp's letter purports to be a confidential communication from himself to his brother-in-law, Mickelwait. He is presumed to know the man to whom he writes. His language, if there was doubt on this subject, leaves no room for presumption. It describes Mickelwait as a "snide politician" wielding "a large influence" and to secure that influence "would be no small job." A very significant fact in the history of this campaign document is that I received a letter from Sharp, of even date with this Mickelwait document, stating that he (Sharp) had written "Mickelwait and Wing" and prepared them for a "medicine talk," as he styles it, and advising me "to see them at once."

I did not act upon the suggestion, and consequently Mickelwait did not have an opportunity to make any money out of the Republicans of this county. Finding his scheme a financial failure in that particular direction, this model reformer proposes to make it politically profitable in another, as a printed campaign document for private circulation.

I will add that it is also well known, that this man Mickelwait approached different citizens of Plattsmouth privately within the past few weeks, telling them he had the ropes laid to make big money out of the nominees whoever they might be. This will be shown by ample proof before the campaign is over if denied.

Comment on the above statement of facts is unnecessary.

THE CAMPAIGN.

The mountain has labored and brought forth a mouse.

After months of anguish because there had been no Democratic party in this county for years, after swearings and groanings because no real Simon pure Democratic newspaper existed, after telling us all summer that this campaign was to be fought on straight party lines, that there should be no nonsense and no side issues this fall, our friends of the Democratic persuasion went out to Eight Mile Grove the other day and did—what?

Nominated a ticket that they themselves can't tell the name of, and that half on each side dare not own.

Hail a Greenbacker and he swears it's a Greenback ticket; hail a Democrat and he says it's a Democratic ticket, while the head of it sometimes says he is a Republican and sometimes a Democrat, and there is only one thing we do know he never has been, and that's a Greenbacker.

Strike another greenback man of a different stripe and he snorts out in fury that the Greenbackers are sold out. Catch an old liner, a Democrat from principle, not a policy Democrat, and he swears it is the Democratic party that was sold out and accepted L. G. Todd as Dictator.

Jno. MacMurphy, of the Plattsmouth Herald, is attending the circus. Mac is for Hitch, and Cass county is in the same boat. Mr. MacMurphy understands the art of making a good newspaper.—Globe.

Thank you for the last part, but we object to the first, because you don't know anything about that, and we're not voting for Hitch now.
