Messrs. Streight & Miller wish to call the attention of their customers to the fact that it is customary to close up accounts at the commencement of the year. As they are expected to pay their bills it follows that they must have funds to pay with. They would therefore notify their customers who have been accommodated to harness and other goods, that they will be expected to call and settle their accounts at their earliest convenience. Their stock of harness and other goods in this line is complete, and all wanting anything in their line will find it to their advantage to give them a call. PERSONAL.

M. L. White called on us again last week previous to leaving for the Black Hills.

Mr. M. Murphy, a photographer of great merit who has been with us for some time left for Grand Island to make his home. We wish Mr. Murphy all success in his new place and are sorry to lose him from Plattsmouth.

We were pleased to receive the "13th" from our friend the Hon. Frank Welch the other day.

They were rather bored one would think the other night at Omaha. The board of trade met and the school board and the U. P. board besides a number of other bores loose on the streets.

Capt. Palmer has returned from Washington and his description of the scenery, the good looks of the President, the genial nature of Gov. Wells and our Senators there, was so enticing that we fit out for Boss Hoidrege's ranche to "kick" for a pass ourselves so as we could to Washington too.

And our returned democratic friend J. V. Weckbach has just arrived from Washington and the "East." He is enthusiastic about President Hayes and says he is a grand-looking good-acting man and will make a number 1 President, "so long!"

Rev. Father Hayes, one of the first Priests settled in this town has returned to this charge and called on the HERALD Tuesday. Hayes is a lucky name just now and we believe this gentleman is a relative of *the Hayes.* More than that he is a very liberal gentleman in every way. He first took charge here in 69 and left in 72 and though the present parsonage of the Catholic Church for $4,000.—Some of the boys are dubbing Father Hayes already, so we guess his coming is for good.

Gen. E. B. Cunningham and F. R. Durrington have returned home from a winter's rest in Washington.

BOSCHEE'S GERMAN SYRUP can now be purchased right at home, it is the most successful preparation ever introduced to our people. It works like a charm in all cases of consumption, Pneumonia, Hemorrhages, Asthma, severe coughs, Croup and other throat and Lung diseases. No person has ever used this medicine without immediate relief, yet there are a great many poor, suffering, skeptical persons going about our streets with a suspicious cough, and the voice of consumption coming from their lungs, that will not try it. If you die it is your own fault, as you can go to your Druggists in Plattsmouth and get a Sample Bottle for 10 cents and try it; three doses will relieve any case. Regular size only 75 cents. 50-tf.

CENTENNIAL STORE.

For home manufacture Robert Sherwood cannot be equaled, at the old store of Sherwood & Stadelmann.

Hall's Vegetable Sicilian Hair Renewer is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores grey hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair-dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State assayer of Massachusetts. The popularity of Halls Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all civilized countries of the world. For Sale by all dealers.

Go to Robert Sherwood for the most fashionable use of Sun scald boots. Cannot be equaled in Nebraska for price, quality and durability. One door west of Stadelmann's clothing store.

Messrs Brous and Chambers are again in full blast, the rush for harness was so great at first that they ran entirely out of goods, notwithstanding Mr. Chambers did his best to keep up. They have now more hands and as the bad weather has given them opportunity to catch up they can furnish harness promptly on demand, call and see them. 51t1
