Messrs. Streight & Miller wish to call the attention of their customers to the fact that it is customary to close up accounts at the commencement of the year. As they are expected to pay their bills it follows that they must have funds to pay with. They would therefore notify their customers who have been accommodated to harness and other goods, that they will be expected to call and settle their accounts at their earliest convenience. Their stock of harness and other goods in that line is complete, and all wanting anything in their line will find it to their advantage to give them a call. A full stock of groceries also kept constantly on hand.
