Oh! Scissors!

My kingdom for a new pair of scissors! Editor away recreating and don't furnish us a line; thermometer of job work and other business; everybody either dead or hid away and not a noise even, upon which to base a local; no time to read or write; what's to be done? We've scissored right and we've seissored left, until the old seissors are worn out, and if our readers just lay it to the scissors; or if they see after him. anything they don't like, lay it to the they will know that we have no pen- ney Times. eil-only a pair of scissors; if anything goes-wrong around here, just lay it to the seissors.

THE new edition of the School Law has been printed, and enough copies to supply each School Board with one, have been sent to the several County Superintendents. In this edition all the late amendments have been insertintent and meaning of the term School | for which he expects to realize thirty District," which together with the General Land Law, though ordered inserted, were omitted by mistake of the printer. The provisions of the Neb. Constitution in relation to education has been inserted; and also to facilitate the transaction of school district business, brief foot notes have been appended to some sections of the law, and on page 4, will be found a convenient School District Business Calendar.

Another dramatic scene, in which James G. Blaine figured as the central tigure, was enacted in the Maine Republican Convention yesterday.

The resolutions reported to the conof the President's Southern policy, ly hurt while looking on. but were much more mild in their President. As in the Iowa convention this was the signal for an outburst, and a delegate immediately introduced a substitute reciting that Packard, Chamberlain, and Hayes held their titles to their respective offices by the same tenure, and if one was bad all were bad, and no one should succeed at the expense of the others. This was warmly supported by a vast majority of the convention, and it became evident that confusion, and the original resolutions | might be of benefit in this section. were then adopted. The latter will be found in our telegraphic columns, and last Wednesday. He was in the vicinthough strongly Republican, and con- ity of Crook City, when the killing of taining, as we said, an implied censure the man and woman, by the Indians, tory nature which characterized the ed, and remonstrated with them on ed a resolution of censure through the rods in advance, when shots were heard.

WILBER, NEB., Aug. 13th. ED. HERALD.-Wilber is on the progressive. Several new business houses have been built here this summer. Harvesting through the country is finished, and farmers are bringing in the productions of their summer's labor. The wheat and barley yield is large.
