It is a duty every man owes to himself and to those interested with him to know the condidition of the fitte to his property. It is a fact well known to the legal profession, and to real estate dealers, that thousands of the improved and unimproved farms of this western country, have imperfect titles; much expense and litigation can be saved by having your titles exammed and perfected, at once, and before property reaches eastern figures in value, when questionable titles become more difficult to remedy. All persons claiming title to lands should ob-Henry Beck tain the United States Patent and have it revested in the individual through the patent Has removed to the lower part of Main street and title is not perfect until the Patent is issund and recorded ed and recorded, and eastern capitalists will not loan money on such security unless it is done. As a matter of business convenience, I have connected this department with my Law Practice, and have placed in charge of it W. S.
