NEVER-FAILING RELIEF

AFFORDED BY SANFORD'S RADICAL CURE.

IT is a fact that can be substantiated by the most respectable testimonials ever offered in favor of any proprietary medicine, that the Radical Curs post Cataring does in every case afford instant and permanent relief. No matter of how long standing, or how severe the disease, the first does gives such evidence of its value in the treatment of Cataribal affections that confidence is at once felt in its ability to do all that is claimed for it. The testimony of physicians, drawgists, and patients is unanimous on this point, and the accumulating evidence is in point of respectability superior to any ever before obtained in favor of a popular remedy. The proprietors, therefore, may justly feel proud of the position this remedy has attained, and believe it worthy of its reputation.
