SANFORD'S RADICAL CURE.

From Hon. Theo. P. Bogert, Bristol, R.I. Messrs. Werks & Potter: Gentlemen. — Feeling thoroughly convinced of the efficacy of Sanyord's Radical Cure for Catarre, I am induced to drop you a line to say that although I have been sceptical of all the nostrums advertised as "radical cures," I have never found anything that promises such relief and ultimate cure as that of Sanyord's.

I have been afflicted with this dreadful discoso for more than ten years, and not until recently could be induced to persevere with any until I read the letter of Mr. Henry Wells, and can truthfully say that after using five or six bottles I am thoroughly convinced of its curative properties. Hoping that others similarly afflicted like myself will be induced to make the trial, I am, gentlemen, very truly, etc. THEO. P. BOGERT. BRISTOL, R. L., July 24, 1877.
