Cass County Agricultural Society.

There will be an adjourned meeting of the Cass County Agricultural Society held at the Court House Plattsmouth Saturday March 16th, 1878, at 2 p. m. sharp—for the purpose of transacting unfinished business from the regular meeting March 2nd. A full attendance of the members is desired.

By order of President, J. P. YOUNG, Secretary.

—Before we knew that there were men in Plattsmouth who would rather send off for work or try to break a man up for spite, we ordered about a hundred dollars worth of new job type, thinking we would fit the office up nicely this spring and give no one an excuse to go to Lincoln or elsewhere to get their printing done. Had we known what we do now the type would not have been ordered; however, it is here. We want all our friends to now bring their work in and help their own town and their own business men.

To the Farmers of Cass County.

Having made arrangements to sell the Waukegan Wood and Steel beam Ploughs, also Harrows, and the Waukegan Star Wood Ploughs. I am now prepared to receive orders for the same. Persons wishing any of the above articles can leave their orders with the undersigned or with Mr. Robert Donnelly, Plattsmouth, where you can see sample of Ploughs. Having used one of the Steel Beam Ploughs and also one of the Harrows the past season I can recommend them.

Ball! Ball!

There will be a grand Prize Ball at Fitzgerald Hall, on Monday Evening, March 18, 1878. A general invitation is extended to all. The best of order will prevail. Music by the Malvern, (Iowa). Quadrille Band. Two grand Prizes to be given to the first and second best Lady Waltzers. Competition open to all.

Attention Citizens.

There will be a meeting of the citizens of Plattsmouth and vicinity at the Court House to-night, Thursday Evening March 14th, 1878, at 7 p. m. sharp, for the purpose of considering the propriety of making an earnest and united effort, to call the attention of the emigrants coming west to the inducements offered in Cass County for settlement. Other localities are taking steps in this direction and we should not be behind them in this important matter.

REPORT OF FINANCE COMMITTEE ON ABOVE.

To the Cass Co. Agricultural Society.

Your finance committee appointed to examine the books, accounts, and vouchers of J. P. Young, Secretary and

acting Treasurer of the Cass County Agricultural Society would respectfully report that they have duly examined the same and find them to be correct in every particular. And your committee would recommend that said Secretary make a statement of amounts taken in, and paid out, in the interest of the Society, or anything further that would be information, or of any interest to the members of the Society, and hand a copy to each of the editors of the city papers for publication.

Respectfully submitted,

P. L. WISE, R. B. WINDHAM, Finance Committee.

Plattsmouth, Neb., March 2, 1878.

In conclusion of my report I would say that the last County Fair for 1877 was a success financially, and the Society is on a better footing now than it has been since its organization. It is hoped the Society will increase in its financial standing during the coming Fair, which it will, only by a united effort on the part of the citizens of Plattsmouth and Cass County. The prospects are bright for our Twelfth Annual Exhibition to surpass by far any ever held in Cass county, therefore the citizens of Plattsmouth should not fail to aid and encourage the Society in this enterprise.

The farmers of Cass and adjoining counties should remember that their aid and presence is also needed at the Fair, with Stock and Farm Products of all kind for exhibition. Not wishing to slight the ladies, both old and young, I would say to them that their aid and presence is also wanted to represent and exhibit the household productions at our coming Fair, and unless the farmers and ladies throughout the county do take an interest in this section of the fair, it cannot be made a success. The Society should also consider well the necessity of locating the Fair Grounds permanently, so as to present accommodation for the reception and comfort of the fairgoers.

I also hope the citizens of Plattsmouth will recall to their memory the pledge made by them to the Agricultural Society one year ago, through a committee appointed by them for that purpose, and that if they will labor in the future for the benefit of the Society, with the same interest they manifested one year ago, the Cass County Agricultural Society will rank among the first in the West.

I respectfully submit the above, J. P. YOUNG, Sec'y.

—Dr. Joseph Hall's card will appear in our next week's issue. In the meantime he may be found at Dr. Livingston's office ready to attend all calls.
