VEGETINE

For Dropsy. CENTRAL FALLS, R. I., Oct 19, 1877. DR. H. R. STEVENS:

It is a pleasure to give my testimony for your valuable medicine. I was sick for a long time with Dropey under the Doctor's care. He said it was Water between the Heart and Liver. I received no benefit until I commenced taking the Vegetine; in fact, I was growidg worse. I have tried many remedies; they did not help me. VEGETINE is the medicine for Dropsy. I began to feel better after taking a few bottles. I have taken thirty bottles in all. I am perfectly well. I am perfectly well, never felt better. No one can feel more thankful than I do.

I am, dear sir, gratefully yours.

I am, dear sir, gratefully yours, A. D. WHEELER. VEGETINE.—When the blood becomes lifeless and stagmant, either from change of weath er or of climate, want of exercise, irregular diet, or from any other cause, the VEGETINE will renew the blood, carry off the patrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

VEGETINE For Kidney Complaint and Nervous Debility.

MR. STEVENS MR. STEVENS:—

Dear Sir,—I had had a cough, for eighteen years, when I commenced taking the Vegetine. I was very low; my system was debilitated by disease. I had the Kidney Complaint, and was very nervous—cough had, langs sore. When I had taken one bottle I found it was helping me; it has helped my csugh, and it strengthens me. I am now able to do my work. Never have found anything like the VEGETINE. I know it is everything it is recommended to be. everything it is recommended to be, MRS, A. J. PENDLETON.

VEGETINE is nourishing and strengthening; purifies the blood, regulates the bowels; quiets the nervous system; acts directly upon the secretions; and arouses the whole system to action.
