J. W. MARSHALL, P. M.

LOCAL NEWS

Tuesday morning, twenty coaches composed the train to Lincoln.

Mr. J. B. Ferree brought us some very fine specimens of peaches from his place.

A dwelling house for rent. Enquire of Dr. J. L. McCreary or Captain Marshall.

Mr. Leesley informs us that he sent some 16 varieties of fruit to the State Fair.

Everything new in the line of Millinery at Solomon & Nathan's cheap.

It is impossible to publish the rules of the Reading Room this week. They will appear next week.

P. B. Murphy is back from the Black Hills, looks fat, and sounds as a nut; will stay about a month.

New goods are just rolling in at Solomon & Nathan's and they are selling them cheap.

William Baker, Esq., returned home Friday, bag and baggage, looking just as natural as Billy always does.

Latest Styles of Millinery at Solomon & Nathan's. Gilt and Silver braids and cords, gilt woven silks, and all the latest shapes of hats. Call and see them.

Mr. Lewis Calkins brings us an apple which measures twelve and one quarter inches in circumference, and is the very perfection of a rasy red one.

If the exertions of Mr. Young Secretary, and in fact all the Officers could have made the fair a success, it would have been a grand one, they worked hard enough.

New Dress Goods at Solomon & Nathan's. Knickerbocker Waterproofs, Bourettes, cashmeres and all the latest styles, more coming. Call and see how cheap they are.

Mr. Hoess sent off three or four wagon loads of plants, vegetables, fruit &c., to the state fair, but he didn't take the centry plant this year; he will get plenty of premiums without that however.

Mr. Schickelstein leaves Plattsouth this week and returns to Council Bluffs to reside. His shop will still be kept open however by his brother-in-law. We are sorry to see Mr. S. going away.

We neglected to make a mention last week of the fact that Mrs. Richey, wife of Dr. Richey, the dentist, joined her husband here. The Doctor, owing to pressure of work does not leave until the last of this week.

Lost—A large brown shawl, belonging to my house and J. Gape's.—going home from the Fair. Please return to HERALD office or to

W. M. EIKENBERRY.

Billy Lempe, our famous Tailor shot himself accidentally Sunday morning in the only sound leg he has.

He is still in bed, but he is not deep and he still continues to cross both legs; for many a day yet, the HERALD sincerely hopes.

J. R. Leesley, Mr. Doud and Mr. J. C. Cummins, represented the fruit interests at our Fair. Leesley took several premiums on apples and grapes.

Cummins on Peaches of which he showed very fine ones. Mr. Doud's exhibit was small but exceedingly fine fruit.

There will be a donation party at the M. E. Church, at Weeping Water, for the benefit of the Rev. E. Wilkinson, on Thursday evening, Oct. 3d, 1878.

A cordial invitation is extended to all. Supper will be provided.

BY ORDER OF COMMITTEE.

The second street bridge is finished at last, and is a very handsome structure, and a very great accommodation to all the people who have business at the railroad Freight Depot and at the residents on the street.

Young Mr. Wise was the contractor and has made a good substantial job of it.

By an error in types in the Weeping Water article last week, the amount donated by the Sunday school at Weeping Water to the yellow fever sufferers was made to read two dollars, instead of ten as it should have been, with ten cents added, a pretty good gift for a Sunday school of less than sixty scholars.

Ed. HERALD: In self defence I desire to say that the indignation of Mrs. Norvell is entirely wasted, and grows out of the total misapprehension of the true meaning of the words I used.

There is and was no cause for her card published in your paper last week, as my fair minded person can see, by reading the article complained of.

Respy, F. M. McDONAGH.

Lawyer Smith has found his pocketbook but not his money. The book and money are supposed to have been found by a man named Johnson near Rock Bluffs. His people, together with his father-in-law Eaton, have been spending too much lately buying horses, calves and so on. The Sheriff and Smith went down there yesterday and the full results will be known soon.

The Officers and Directors of the Cass county Agricultural Society are requested to meet at the Court House in Plattsouth, on Monday, Sept. 30, at 2 o'clock sharp, for the purpose of auditing all bills and accounts against the society. All persons having any accounts against the society will please present them at said time. All bills and Premiums will be paid after said meeting. J. P. Young, Secretary.

Mrs. Johnson and Miss Sweeney are hard at work again, trying to supply the demand for Fall hats and have received a large stock of all the latest styles in millinery, among which are:

Plumes, tips, wings, and feathers of every shade, color and variety.

Velvet, silk, cloth plain and fancy and in a variety of colors; plush, ditto, satin of all kinds and prices.

Ribbons in satin, grosgrain, double faced, satin one side grain the other; in all the newest shades including garments, and the new red shades.

Ornaments of numerous designs, laces and a full variety of fancy goods including gloves, ruffles, lace scarfs etc., etc.

Their pattern hats are very handsome and they invite the inspection of all.

We made mention last week that the ladies of St. Luke's Guild had sent out committees in the various wards to solicit bedding and other supplies for the yellow fever sufferers. Some misunderstanding has arisen we believe in regard to the work being entirely confined to the Episcopal church, which is a mistake. Any help from other church members will be thankfully received, or from people belonging to no denomination. All are asked to contribute, to solicit, or to help in any way they can. A box was sent off last Monday containing 29 shirts, 71 pillow slips, 57 men's shirts, 18 boy's shirts, 37 chemises, 28 night dresses and shirts, 1 bed quilt, 1 blanket, 1 spread and quite a quantity of children's evening clothing, and other articles. Nearly enough had been obtained at the time of writing for another box, and any articles still sent in will be forwarded promptly.

Mr. Julius Pepperberg lost the contents of his pocket book last Saturday night. He, in company with his wife attended the theatre. On their return they found the back door of his house unlocked, which aroused their suspicions and Mr. P. made a thorough search of the house as he thought, but found nobody within. The next morning, however, the pants which he had worn the night before were found lying out in the kitchen, the pocket book which had been in the pocket beside them and the contents of it, some \$28, gone. The supposition is that the man must have secreted himself under the bed, watched where Mr. P. put the pants, and after they had gone to sleep secured them and escaped as he had come. The kitchen window had been removed, and a couple dozen eggs in a dish on the table in front of the window were smashed, probably in their attempts to get in or out. This robbery was evidently accomplished by an experienced hand, and we hear rumors also of a man being robbed on the transfer train, which looks very much as if he had a gang in our midst who were deliberately carrying on their nefarious operations. If some attempts are not made at detection and punishment we shall probably have more robberies to chronicle.

St. Dealer in Musical Instruments.

Special Excursion Train.

A special excursion train to the State Fair has been run by the B. & M. R. R. to Lincoln and return since Tuesday last, on which the fare for the round trip and admission to the Fair Grounds is \$1.50. This train leaves Plattsouth at 3:10 p. m. and returns at 10:15 a. m. Special rates have also been given on the regular round trip and fifty cents additional into the fair grounds. These tickets are good to return until the 28th.

The Atlanta Ga., Constitution. Recently published a long account of the destructiveness of the "Sherman Rat" which is 2 to 4 times as large as the Northern Rat. On the 17th of September, 1877, the Manager of this celebrated paper having tried Centennial Rat Exterminator says: Gentlemen your "Pizen Stuff" knocks "Sherman Rats," stiff and cold.

OSAGE, IOWA, Dec. 20, 1877. Star Manufacturing Company, Fort Madison, Iowa; Gentlemen: The Centennial rat poison, received last Monday. We have given three doses. On Monday, Tuesday and Wednesday nights, and we verily believe there is not a rat of house left. The saw mill, feed, custom and merchant's mills were full of them, as were also our houses, cooper shops, barns and hog pens. Since giving them the poison they have been running round as "crazy as loons" and the river bank is lined with dead rats, in fact it has created a terrible commotion among them and they have all left. Thanks to the "Centennial Rat Exterminator," each box of which is worth a twenty dollar bill. We will see our druggists and have them send us a rat of house left. Very respectfully, E. M. BRITTS & CO.

This great economizer for property holders, farmers, etc., is for sale by druggists and general stores everywhere. Price 35 cents, large cans \$1.00.
