Republicans can't afford to stand back and remain under the stigma that there are not as good Republicans to fill the Treasurer's office as there are Democrats. W. H. Newell must be elected.

When you come to town go right to the Great Red Store. Red flag on the house. L. KALISKY & SON.

As will be seen in another column, Rev. Mr. Stainhart leaves his charge here next week and goes to San Francisco for his health. His stay of a year and a half seems to have been most acceptable to his people, who all regret the necessity for his departure.

Kalisky & Son are just more than coming out. The HERALD likes to see liberal advertisers, and hopes the great Red Store (Duke's old stand) will become famous for bargains and good goods.

The Grant Meeting was postponed until to-night at 7 p. m., Court House. Lists are left at the P. O. and in stores for those to sign who desire to go, and our people must attend to this as the R. W. want to know before hand about how many are going in order to provide coaches.

It used to be an old adage that a woman was at the bottom of all trouble and the query "Whose the woman?" has passed into a proverb. Now a w. y. whenever you hear of a big fee, a good job or any scullingery you can safely ask: "Where is the 'fuzionist' that's at the bottom of it?"

Dr. Bull's Cough Syrup should be kept in every family. A slight cough, if unchecked, is often the forerunner of Consumption, and a timely dose of this wonderful medicine has rescued many from an untimely grave.

Where is John Tatt? That's what we want to know. When Geo. Grant went out to see his farm at Log Branch or to visit his bull pup the democratic press howled that he was leaving his post of business and letting the Government run itself. But our Greenback Democratic men leave the whole thing to wiggle alone.

We have received cards of invitation to attend the celebration of the 40th anniversary of the wedding of Mr. and Mrs. J. F. Buck, at Three Groves, next week Wednesday. This is getting pretty well along in the anniversary, and to celebrate it seems most fitting. The HERALD folks will certainly be there if possible.

Thomas Jefferson Thomas has 40 head of the cattle brought in lately to feed, by the Todds and Thomases.

H. J. Streight, and Son Eddie, of South Bend called on the HERALD yesterday. "Hank" is sound on the goose, yet.

Hon. E. A. Kirkpatrick, republican candidate for County Clerk was in town yesterday feeling confident of his election by a handsome majority.

We are sorry to learn that Mr. Wm. Jones has been very sick lately, not being able to take any part in the democratic campaign even, which the said William would very much like to do.

Save money by buying goods at the Great Red Store, where they have strictly one price, and the only house that sells goods at Chicago prices. Great Red Store, L. KALISKY & SON.

Testimonial. We, the undersigned, members of the German Presbyterian Church of Plattsmouth, testify hereby that our beloved minister, Rev. Joseph A. Steinhardt, has preached to us the gospel for one year and six months, pure and true, and has performed his duties as a minister faithfully and with great kindness. He has also conducted himself as a true Christian, and has won the respect and love of every truth-loving member, and we hope the grace of the Lord may be with him wherever he goes.

Political Notes. ED. HERALD.—Since our last notes we have had the privilege of attending a Democratic meeting at Berger's School House, where speeches were made by Thompson, Ramsey, Todd and Showalter.

As Mr. Todd's speech was very lengthy, and on a subject we think settled, and as Mr. Showalter remembered, shortly after he had commenced to speak, that he could not make a speech, we did not let him pass, but we propose to review Mr. Thompson's and Mr. Ramsey's speeches.

Mr. Thompson began by saying he had not come to make a speech, we invited him, and when he started he had reason to exonerate Patterson, we also believed him, for Thompson never lies. He said that he was not very well acquainted with M. Patterson, he had the check to go into his (Patterson's) office and examine his treasurer's books. We believed it, for we know Ramsey makes a lion tamer. He said, although he had no money, he would give \$100 to anyone who would come into his office and find anything incorrect in the accounts of Mr. Patterson, which he had copied of our s. we believed him, for he can get \$100 at the present time, where he got \$50 a short time ago. He said he with the Democrats had made a ticket of Greenbacks and Democrats. We believed him, for we knew the Democrats had no use of electing to any office except those for which Democrats were nominated. He said he had done more for the Greenback party than any other Greenbacker in the county, having sunk \$1,200 in making the Sentinel in the interests of the Greenback party. We believed him because we know an Editor can advocate two parties, having different views, at the same time. He said he was making some money here, having received 125 new subscribers in the last week, nine of which were Greenbackers. We believed him for out of every 125 things he says, nine are for the Greenbackers and the rest for Democrats. He said many things in favor of Mr. Patterson, which we believed, and we further believe if Mr. Freeman had had \$20 at one time which he wished to risk in this campaign, Mr. Thompson would have said many things in favor of Mr. Freeman instead of Mr. Patterson.

Mr. Ramsey began by stating this was a local election, and we should not dwell on National affairs. He said he was very anxious Mr. Ramsey, for you will know the Democrats record in National matters would be very detrimental to your cause this fall. But to your dissatisfaction a National debt cries out against Democrats. Thousands of widows and orphans stand as gable beams, pointing to their past deeds. Debtors, Dr. J. and Anderson stand as monuments of their atrocious crimes. Sir, the blood of thousands of negroes slaughtered by their hands is not yet washed away. The murder of Judge Christian and family, and their executing the murderer, also the brigadier's recent in Congress last winter is too fresh in people's mind to be forgotten, because you say so.

Mr. Ramsey next arraigned the Republican party of this county for the dishonesty of a Commissioner and incompetency of a treasurer, who filled those offices some years ago.

If the Republican party is so dishonest, why did you (Mr. Ramsey) go all the way from Louisville to Liberty (Iowa) to see if Henry Wolfe, a Republican, would not consent to run on your Democratic ticket?

It is very consistent for you to preach honesty when accused by Mr. Todd of misappropriating \$500 of the county's money, and when you yourself would defend another. We expected to hear you say Mr. Patterson was honest; but if he is honest, he is like "Big Dog" Tray's found in bad company. Sir, we fail to see why we should vote for Mr. Patterson if he is honest, for there are other men who are honest and have shown themselves competent, and who left all to go and fight, to save their country, while Mr. Patterson remained at home.

In conclusion, we would say if Republicans wish to give up the principles for which they fought, and to claim to the glorious record of the Republican party, vote the Democratic ticket.

If you wish to vote for men who will use their words, their influence and the influence of their office to defeat the Republican party next fall, vote the Democratic ticket, titled by that most detestable name "People's Ticket." M. S.

Squibs. A large Bank account of far more value than a delinquent tax-list to any treasurer, but the treasurer's bank account is of no value to the poor farmer. Hobbs was incompetent and didn't see it.

"People's Ticket" before election; afterwards, if successful, Democratic. Why is this? ask Thompson and John White.

County Commissioner Richardson called on the Sentinel last week, but has not been back since. Sentinel, just as we expected; one call will satisfy any honest man.

In Mr. Thompson's speech at Berger's school house, we were put in mind of a boy we knew in Ohio. This boy had no education whatever, but he was as full of big words as a pig after it had had all the butter-milk it wanted. When there was a big political campaign, this boy would attend the meetings of either party, and when the speakers were speaking, some motion would be made of the opposite party would make up a collection and hire the boy to make an opposition speech. He could hold out very well while one speaker was speaking, but when there were several speakers, he would become weary and want to stop, but those who had money invested in him would shake their heads and he had to go on or forfeit his pay. M. S.

Rock Bluff Items. OCTOBER 28, 1878.

ED. HERALD.—Our mustard has taken a second growth, and we fear we shall have no seed left for next year.

Rock Bluffs loomed up last Saturday night. Some Greenbackers and Democrats came down for the purpose of making stump speeches. Mr. Hutchinson was chosen chairman of the meeting. B. S. Ramsey was called for, and made quite a lengthy speech, enlightening us on many points. Mr. Thompson, the Sentinel man, next took the floor, and made a speech. Mr. Showalter followed with a few remarks. Wayman came next and made some sport for the audience. (A few words from Noah.) Fry followed Wayman with a short speech. When Fry concluded, the words tati! tati! passed around the room, and sure enough Tatt was there, but did not speak. (Noah rises again.) A motion was made to adjourn. (Noah up again) and everybody did so but Noah, the Greenback candidate for commissioner.

I suppose we get it again next Saturday night from Republicans.

For want of news I will have to close. Yours, as ever, SAM SLICK, JR.

Mr. Teft was also at Elkoff's and in Liberty precinct.

The meeting at Salt Creek is postponed until Saturday, November 1st, when there will be a joint discussion.

Messrs. Chapman and Teft spoke at Greenwood and Ramsey's school house last week and had good meetings.
