PIANO-FORTE

THE FAVORITES IN THE CONCERT HALL. During the Season of 1875-1876 the Henry F. Miller Planos were used in Boston and vicinity in more than 125 Concerts. Season of 1877-1878, 1775 Concerts.
Season of 1878-1879-Month of October, 35
Concerts; Month of November, 45 Concerts-None but first class Pianos could gain such un-questioned popularity.

THESE PIANOS HAVE RECEIVED The Highest Praise Most Eminent Musicians.

Of late I have had many opportunities of

they have no superior in America, and my long experience abroad justifies me in placing them ahead of any foreign instruments of their kind. Chas. B. Adams. Madame Roze and the other artists of my company are delighted with the "Miller" Piano, for its rich purity of tone, and the wonderful manner in which it sustains the voice.

H. MAPLESON. In behalf of the Barnabee Concert Company, and particularly invest as the planist of said company, I wish to express many thanks for the beautiful Grand Planes of your manufacture, with which you have furnished us so far this season. With your fine instruments concert giving becomes a positive pleasure and delight, "so say we all of us"

Howard M.

Howard M

I consider no other "make" with which I am requainted, can excel it in any of the qualities that constitute a perfect instrument. As an accompanionent for the voice, I know of none I would prefer to yours.
Mrs. H. E. H. CARTER. I take great pleasure in recommending the Henry F. Miller Planes on all occasions where a first-class piano is desired.

Mrs. H. M. SMITH. I have known the Plance manufactured by Mr. Henry F. Miller for many years and I do not besitate to say that they take high rank among the first-class instruments of any of the best makers. CARL ZERRAHN I consider the Miller Fianc superior to all others in that mellow and singing quality so acceptable for voice accompaniments.

Mrs. E. ALINE OSGOOD.

We were delighted with the Pianos of your manufacture which we used during our recent that the United States their charming singing qualities rendering them especially desirable for accompanying the human voice.
