A most atracious case of a sor poisoning his father has occurred at Grand Island. The name is Lawrence and the son deliberately gave the old man prussic acid and killed him, to get an insurance of \$11,000, which he he had placed on his father's life, before they left the east. We are happy to say that the young scoundrel is in

WE do not like the spirit which is syinced in the circular issued by Secretary Williams, of Hastings, referring to the agricultural fairs. We sided in the officers of the State Agricultural Society, and we have said that we asmuch as the majority decided that Messrs. Dunham and Wheeler should mitted to the inevitable and expressed our willingness to do our very best to make the State fair of 1880 a success; but such arrangements as are in contemplation at Hastings are not calculated to have that effect. Friend Williams, you should abide by the Re- ed publican adage-and the Democratic adage, too, for the matter of that-that to the victors belong the spoils. We'll have a chance to try our hands again next year, and if we were to win we by the papers. should expect the whole State to stand if we want to have the fair thing done by us next year .- Democrat.
