LOCAL NEWS.
We must have a Hotel.
Glenwood has a bicycle club.
The Courant was late last week.

Personal.
Mrs. E. S. Albaugh, from New Jersey, is visiting at her father's home in Factoryville.
Miss Olive Gass has returned to Plattsmouth from Ohio, where she has been attending school.

Dr. Schildknecht is nicely fixed in the rear of Wescott's new Clothing Store, and next door east of Baker's general store.

Mrs. Hyers, the wife of our Sheriff, returned from a visit in Illinois, on last Saturday. Mrs. H's friends will be glad to hear of her return in better health.

P. A. Barrett, W. W., takes the Herald and settles down to citizenship in Cass County. His good looks are in his favor, and if he isn't married some good-looking farmer's daughter wants to keep her weather eye open.

Miss Miller, a niece of Capt. Bennett, is visiting her uncle's family on her way from the Black Hills to her home in Atchison. She considers the storm of Sunday quite trifling compared with a wind and sand storm which she passed through on the stage route from Deadwood to Sidney.

There is a small little fortune waiting in this town, for the man who will put up a first class and commodious Hotel.

Nebraska City has a cooking club of young ladies, and each young lady invites a young gentleman to test the results of their cooking.

We are sorry to learn that Mr. J. Tuttle's entire family have been down with measles. We hope that they may all get through safely.

The State Central Committee passed a resolution of thanks to Major Kleusch for some very fine cigars furnished at its late meeting.

Our Temperance column of nearly two columns appears on the first page this week, which gives us a little more space for our "lady" country writers.

J. J. McVeigh has removed his headquarters to James Gray's place of business, and will be found there by all his old friends henceforward and hereafter.

Mr. T. W. Shryack will be glad to meet any or all of his old friends and patrons at the Great Red Store, where he has charge of the Furniture department.

Mrs. and Miss Simpson have just received at their music room a handsome new square grand piano, direct from New York, a very fine instrument.

The "Unionism," a brand new brand of home-made cigars, put up in bundles and kept in a tin box. Buy them and try them. They are A. No. 1, as we can testify by sample.

Will Wells reports crops doing well, considering there was nothing much planted, and the majority of what has been planted or sown, has been blown off into the grass.

We like to see Mike Schnellbaker full of work, but really would like to ask his friends not to block the street entirely with wagons and horses. Mr. Chief of Police, give 'em a hint on this.

We half believe Joe Buttery had dunked fall in that well to get the rock out cheap. There never was the same amount of rock taken out of a 27 ft. well in the same before in this town.

Mrs. Wiley and daughter, and Mr. and Mrs. Ben Droste went up to hear Miss Carrington, the prima donna in the Mendelssohn troupe, she being a niece of Mrs. Wiley, and a cousin of Mrs. Droste.

The Tallon will case was tried last Thursday. Gen. John Cowan appeared for Dr. Livingston, and Mr. Hatigan for Capt. O'Rourke. The Judge took five days to think out, and we know not the result yet.

Wescott is open once more, good goods and cheap goods always on hand. Ready made suits of all kinds and also Custom made goods, made to order, and a full line of samples always on hand from which to select.

Mr. Fred Lehmann was taken suddenly ill on Monday last, and the symptoms became so alarming during the night, that his life was despaired of. We learn now that he is rapidly recovering, and we are glad of it.

It is reported that parties are destroying the native trees in the new streets being cleared up. Suitable shade trees in these streets should be selected at once and preserved as they can never be set up as cheap again.

MacDonagh ("Our Mac") got a handsome editorial chair in Omaha the other day, being voted to him at a Catholic Fair, as the most popular editor in Omaha. How sick those big fellows like Nye and Miller must feel.

The Sportsman's club now deem it very important that the true direction of the wind be ascertained on hunting days, and a Committee will hereafter be appointed to determine its direction, force and probable effects.

We are very much grieved to hear that a disastrous fire broke out Tuesday morning at the farm of John H. Becker, by which his carpenter shop and \$250 worth of tools, a barn, one horse, a set of harness and 500 bushels of corn were destroyed.

We acknowledge the receipt of a very pretty basket of flowers from Miss Hesser and also some exquisite Marshall Nell roses, which have rendered our rooms fragrant ever since. Miss Hesser has become her father's able assistant in his green houses, and is solving the problem of profitable work for women very thoroughly, and in a work which we imagine is congenial.

Cass County Agricultural Society.
The above society is called to meet at the Court house on Wednesday, the 28th of this month for important business. Do not forget the day and date. A full attendance is much needed.

Mrs. John Ahl, residing near Cedar Creek, came to town last Monday with a frightful looking finger, caused by wearing too tight a wedding ring. The finger was so badly swollen that the ring was completely hidden from view, and medical aid had to be resorted to to remove the ring.

The "boss" Clothing House open again, across the street, not quite so much room, hardly as many goods but yet the neatest, tastiest, best stock you could buy. Orders taken for Custom made goods and samples always ready. Clothing of all kinds, hats, caps, etc., and gents' furnishing goods in many varieties. All goods warranted, when asked, and I want a fair trial and nothing more. Come and see me. C. E. WESCOTT.

Through neglect, the little dance at the Poor House, two weeks ago was not mentioned last week. But they had a dance, a nice crowd and good music. The hospitable host, "Croft," even offered the "barred Cage" in the corner, for the benefit of those not dancing. It was not accepted, however; everybody enjoyed themselves hugely and all will be pleased to have it repeated.

A very fatal disease among horses is reported in the neighborhood of Weeping Water. Mr. John Allison has lost four lately, and Geo. Sigler tells us that its nothing strange to hear of a death every day or two. The cause of the disease or what it is called seems to be unknown, though the symptoms—severe vomiting—would indicate poison in some form or other.

An interesting case before Judge Vivian yesterday, wherein "Belle" and "Dutchie"—were each fined \$1.00 and costs, amounting to \$5.50 each, for keeping a disorderly house down in Soap-grease hollow. A young man named Eddie, also received a fine and costs amounting to \$10.00, for boarding and supporting the same.

The "ladies" were requested to leave the state forthwith, or they would be liable to arrest again to-morrow. The main cause of the arrest was the discharging 7 shots from a revolver in the hands of "Belle," who admitted she did the shooting, and shot to bring her man, but owing to her having been as she termed it "doped," she couldn't send her bullets home. Such characters are receiving their just deserts from our officers and it is hoped the city will be well rid of their soon.

Given Up By Doctors.
"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"
"I assure you it is true that he is entirely cured and with nothing but Hop Bitters; and only ten days ago his doctors gave him up and said he must die."

Very Droll to Think of.
If not above being taught by a man, use Dobbin's Electric Soap next wash day. Used without any wash boiler or rubbing board, and used differently from any other soap ever made. It saves you time to think of it, and costs only two cents per wash day. It washes through the hose, instead of a long yard of rope from Nova Scotia to Texas have proved for themselves that this is done by using Dobbin's. However, if too set in your ways to use it, you will find it a most interesting and so easy that a girl can do it. It positively will not injure the finest fabric, and it is the best remedy I ever used; in fact, it cured me entirely. Accept my sincere thanks. 5011 FRANK SCHWARTZ, 98 Nineteenth St., Cincinnati, O.

Sincere Thanks.

A Strange Year.
There never was so strange a year as this. We had no autumn days at all. The summer took so much of fall. The fall, in order to get scarce. Took all winter it did. And yet winter ever so long. By lingering in the lap of spring. -Pack.

A well-known German minister, Rev. A. Opitz, of Scheelsgerville, Wis., writes: "I was a sufferer with Rheumatism for years. Friends recommended the use of St. Jacobs Oil; I tried it, and most confess that the result was astonishing. Having had used the first bottle, I found relief, and the second one cured me. I therefore feel under obligations, and shall recommend this effective remedy, whenever I have a chance." 511

Wescott.
The Boss Clothier is open again—in the little store east of W. H. Baker & Co's. Having been burnt out, root and branch, I have once again, however, got on my feet and have opened a new and select stock of goods, in the above named place and desire to see all my old friends and customers in these my new quarters when I endeavor to show them the neatest, best-fitting and cheapest stock of Clothing ever brought to Plattsmouth. Please remember the place and give a call. C. E. WESCOTT.
