

Repress. day with his family. Lincoln, Monday.

Adam Kanfberger, Esq., dropping in to see the HERALD last week. Call again Mr. K. when you editor is in.

Mr. Wm. Case, of Centre Valley, called and put himself ahead with the HERALD, which he says he can't get along without.

County Commissioner Crawford has a brother-in-law, County Com'r of Nebraska County we see by the Sheridan Post. Must run in the family?

W. M. Wiley, of Rock Bluffs, paid the HERALD man promptly in advance on Tuesday, and ensured for himself happiness and prosperity for another year.

Mr. Albert Waybright, a brother to our old and well known citizen, Morgan Waybright, arrived here Saturday afternoon, direct from the Great Caribou camp, Leadville.

Mr. Brown, formerly of Red Oak, Iowa, and lately a resident of Greenwood precinct, in this county, has taken up his residence in Plattsmouth, and will practice law hereafter. Can be found at San Chapman's office.

Out at Eight Mile Grove.

Another Ruby found. He weighs ten pounds; Tom says no matter how big, the sooner able to feed the pigs.

A farmer told us the other day that he would not be without Dr. Bull's Cough Syrup if it cost five dollars a bottle. The price is only 25 cents a bottle.

Carl & Bro., of Polk, Iowa, offer to send their Illustrated Garden Guide. Our readers should send for it.

We give only a portion of Prof. Love's report of the schools this week, not having space for more. The remainder will be given next week.

If there ever was a specific for any one complaint, then Carter's Little Liver Pills are a specific for sick livers and every woman should know this. Only one pill a dose. For sale by Smith, Black & Co.

Mrs. Dr. John Black will entertain the next Presbyterian social at her residence Tuesday evening, Jan. 18, 1891. Meas. WILLS, WISE.

SECRETARY.

A very neat Christmas gift, in the shape of an illustrated Almanac, has been issued by John A. Macfarthy, editor of the Plattsmouth Herald, for his subscribers. It shows commendable enterprise on his part.—Seward Reporter.

On the same day that Geo. Geo. Smith found that Christmas present at his home on High School street, he and the little "gal" are always celebrate together, one present will do for both, &c., &c.

—Thos. James, Darlington, England, says: "The 'Only Long Pad' is being thoroughly tried here. One lady has already received great benefit, who has suffered from rheumatism, sciatica and asthma, and congestion of right lung.—See Adv.

—Mr. E. M. Yates and family became residents of Plattsmouth last week; a step which we hope they will have no reason to regret, but will find in our city a pleasant home and among its people congenial companions and friends.

The Enterpriser comes out this week with a new quarto weekly, containing a large amount of reading matter, and is issued on Saturdays which practically gives the town a semi-weekly paper and to some extent takes the place of the daily. We hope it may succeed, be placed on a firm footing, if it merits the same.

—These unhappy persons who suffer from nervousness and dyspepsia should use Carter's Little Liver Pills, which are most effective in relieving nervous, dyspeptic sufferers. Price 25 cents. For sale by Smith, Black & Co.

—Prof. A. P. Aten, of Illinois has been employed by the Christian church of Plattsmouth to preach for one year. We have been informed that he is a cultured gentleman and a fine speaker, and from what we have heard about him we congratulate the members of that church on their acquisition. He will probably begin his labors next Sunday.

—Palpitation of the heart, nervousness, trembling, nervous headache, cold hands and feet, pain in the back, and other forms of weakness are relieved by Carter's Iron Pills, made especially for the blood, nerves and complexion.

—Dr. Schickelrecht called in Friday, the Doctor has the largest County practice of anybody, as well as a large town practice, and a twenty mile ride is nothing for him. Thursday morning his grey horse came near leaving him to walk home, by slipping on the ice and breaking both shafts of the sleigh. Few people think what cold traps a Doctor has to take.

—McGuffey's series of Readers, the old series of our youthful days, have been introduced in our High School, kicked out as it were, with the past year—Appleton's series, just issued, have been introduced in their place and the children are all happy in the possession of brand new books. Whether the change will be beneficial or not the future will determine.

—Coasting is the order of the day a night too in Plattsmouth and High School Hill is the scene of high carnival every evening, people assembling by hundreds almost and sleds of every description flying down like magic. If it doesn't bring large sleds capable of holding from five to ten in high fever; one particularly which had a rudder, a brake and was carpeted. It seems almost wonderful that at no more accidents occur, but so far we have heard of nothing more than an occasional bruise or bump.

—The Bell Tower for the Fire Bell was hoisted to its place Tuesday night, the stupendous efforts of a number of lookers on, and now a new difficulty has arisen in getting down on Main street. Hereafter the farmer going to Schickelbacher's shop tied his horses to the wagons and allowed them to back up on the sidewalk, for us to walk over, but now we have got to walk over a bell tower five feet high. How's that for fair?
