A NAETCH GIRL DEAD.

And Another Member of the Hindon Band Seriously Sick With Pneumonia.

Allabundy, one of Mr. Daly's troupo of Nautch girl dancers, and one LINCOLN, Neb., February 25.—The has never danced in public in this country, died on Monday. She was

is not so surprising, considering the live in their gauzy native costumes, a they crouch on thick rugs and chatter About 11 o'clock the prehibition like magples. Their food is not boots. All the use these are put to

ments to the theatre. "One of the girls named Boorie" continued the doctor, "one of the best dancers in the troupe, is seriously sick recommended the passage of the wo-man suffrage bill vesterday by a vote must have taken cold. Yesterday her temperature was 105 deg. and at 4 p.m. to-day it was 104 deg. Her respiration was rapid and we are much concerned for her. We cannot tell, though, u til the seventh day after she was taken

is to go a few feet from their apart-

whether she is going to recover. "About this girl Allabundy; she was pretty, gentle lovable creature. From the very day of her arrival h she was sick. She must have had the seeds of disease in her system when she left her native land, and very soon after she arrived she took to her bed. The disease was typho malaria fever, a slow wasting fever that is neither typhus nor malarial fever, but that resembles both complaints. fever was broken up in a little more than two months, and Allabundy be came strong enough to sit on the rug with her sisters. There was not fever in her system, but she was ema ciated and her muscular tissues, especially of

She ate and drank and slept well, an we looked upon her as a patient like to recover. In fact, we did not dreat of her going so suddenly. She w very weak, and when she sat sh crouched a great deal. It is not unt sual for these low fevers to leave the heart in a very weak state. It was so with Allabundy although there was no reason why she should not recov er. A sudden violent muscular exer-

tion on Monday, however, was to much for her poor little heart, and she d'ed almost instantly. Paralysis of the heart was the immediate cause of her "When I arrived at the Nautch girls' agartments on Monday, Allabundy's body had already been dressed, according to the customs of their native country, by the girls, and laid out on one of their soft rugs. Over the whole length of the body a soft white linen cloth

had been laid, white silk ribbons gathered the cloth at the top of the head and at the feet, where the ribbons were gracefully knotted. The folds had been carefull arranged in straight lines, lengthwise of the body, and the outlines of the graceful form were clearly revealed. The Nauch girls were gathered about the body, and The spectacle presented by Venus, bitterly and prayed. He is a very rewill mark the corners of a little tri- rattle-box and tiny toy baby. She goes through odd antics with them."

> A Bit of Heart. I once knew a workingman, a potter

exemplary with fidelity, being always in

the shop at the opening of the day. He ing to the bedside of the "wee lad," as he called him, a flower, a bit of ribbon anything that would lie out on the trinket showing he had remembered came in. I presume that he never said boy so much. Still he went on patientworkmen made curious little jars and pottery full of men, of rather coarse fibre and nature, grew quiet as the months drifted, becoming gentle and kind, and some of the ungoverned ones stopped swearing, as the weary Every day somebody did a piece of his work for him, and put it upon the sanded plank to dry; thus he could come later and go earlier. So, when the bell tolled and the little coffin came out of
