REPORT of Grand Prairie School on antside next week FILE this and next week's paper for the laws, and digest of same.

THE last storm of snow and sleet seems to have mixed things up, and delayed travel as bad.

THE apportionment bill is at last ettled, and Nebraska will have three congressmen in the future.

The Government Post at North Platte is to be abandoned, and the buildings sold at auction for eash.

GEN. VANWYCK took the oath along with the rest of 'em at Washington on Saturday, and is now a U. S. Senator

W. H. MICHAEL, of the Sidney Plaindealer has quit the newspaper business, and been admitted to the bar, to practice law. Sensible man,

Southe Fleharty, of Osee-oh-la, has been and is the Governor's private secretary from now and henceforth. Bro. Morrill has gone into the money making business, shaving notes, etc.

THE High License bill, and Railroad regulation bill, will be found on the outside of this paper, as well as a partial digest of all the laws passed at a negotiable note, and the company this term which will be continued are now offering transportation free on seed grain. Many business men from week to week until concluded.

THERE are several good previsions in the new license law. For instance and consequently much less seed will We have heard many of our friends in making minors responsible for -viclating the law, punishing the intoxitated man as well as the seller, and the one in regard to adulteration of liquors with strontia, strychnine, or any other foreign substance.
