A True Story About Chanfrau.

Frank Chanfrau was playing in St.
Louis in March last against Salvini. On Saturday the tragedian gave the usual matince, but Chanfrau did not, so he went to see the great Italian act. Both companies were stopping at the same hotel, and at dinner were sitting at adjoing tables. Mr. and Mrs. Chanfrau was playing and to this them, at the next table, sat Salvini and Chizzola. Salvini did not speak a word of English, and when anyone addressed him in that tongue Chizzola interpreted.

When Chanfrau entered the diningroem he bowed to Salvini. As he sat down, Henrietts said:

"Say semetian to him, Frank."

"How can 1? He don't understand English."
