—Mr Jacob Potter wishes all who may have fat cattle to sell to call on him at the meat market. He wants one or more every week.

—Mr. Hill, of the Bloomington Guard, made us a pleasant call last Monday. He was on his way to Superior, Nuckolls Co. Call again Bro. H., when you come down our way.

—E. T. Fern wishes to inform those who travel on the road leading north west from town, that a new road has been opened on the section line and the public are expected to travel it. Those persons who have taken the liberty to pull up signs will please do so no more, as their names are known.

—Fresh beef at the City Meat Market.

—The Constitutional Convention adjourned Saturday, A. M., in time for its members to go home, ere the Sabbath.

—Croquet is the rage everywhere. Why not in Red Cloud?

—Chas. Lane, of Guide Rock, called last Saturday. He reports all crops looking fine, and says he has the best six acres of wheat in the county.

—Report of second month of school, taught in District No. 16, Guide Rock: Per cent of attendance 98.

Names of scholars who have been neither tardy nor absent during the month: Myra Smith, Mary Horn, Elmer Goarcke, Maud Milner, Ethel Horn, Albert Goarcke. Ella Shuler, has not mis-spelled a word during the month, in lessons assigned her.

ADELBERT BAILEY, Teacher.

—A certain young lady in Red Cloud is so modest she will not permit the Christian Observer to remain in her room over night.

—We received two copies of the Grand Inland Independent of the issue of June 12th. As Josh Billings says of twins—"it is twumatch."

—The Valetudinary address of Mr. Webster, President of the Con. Con., was short but contained some good advice.

—When you come to town go and see these fine prints at John G. Potter's. They are the gayest and cheapest in the valley.

—Belfast Ginger Ale, Soda and Mineral Water, for sale by George Zeiss. Also Ice Cream and Lemonade.

—Carl Weber has more amusements than at any other place in town. A bowling alley in good running order, a shooting gallery in full blast, and an ice cream restaurant and confectionery shop. He has fitted up a room in good style to be used as a dining room. Give him a call ye lovers of pleasure and the "cool beverages."

—A couple of "Sociopians" and a small boy, made their appearance on the streets yesterday. The small boy posted up bills in various parts of the town announcing an exhibition in the evening. We have been inquiring among the people as to the character of the entertainment, but were unable to find any one who had attended. Even our village pedagogue who had been favored with a complimentary ticket would not countenance the performance. We have come to the conclusion that these men will bear watching. It looks as if their posters and entertainments are but a cloak to cover their flight. The fact that they avoided the hotels and this office is very suspicious in itself. Even though they be respectable a little watching will do no harm; and by their conduct they have laid themselves open to unfavorable comments, and cannot complain if they are suspected of crimes of which they were innocent.

N. B. Future exhibitors in Red Cloud will please remember that it is customary to visit the printing office and "t.l.k." to the boys.

—The boys and girls have a new resort now, which surpasses anything they have yet enjoyed. In fact, they have never had suitable places and occasions for gatherings until now. They have been compelled for the most part to resort to prayer meetings as a means of gratifying their longing for each other's society. While prayer meetings are much better than nothing, still they are inadequate as a means of mirth and amusement. A prayer meeting even when successfully carried on does not afford the best advantages for a genuine frolic. There is always something lacking in the best conducted. The movements are more or less restrained. The older people come frequently, and they seldom enter into the mirthfulness of the occasion with the zest and abandon which characterize the younger attendants. The religious exercises interrupt the merriment of some. The unconsciousness of a kneeling position detracts from the pleasures of the embraces, while hissing is attended with so many disadvantages as to be practically dispensed with. On the whole we think that the most enthusiastic admirers of the prayer meeting will concede that it is essentially defective for the attainment of the most delicious and satisfying love-making. We take pleasure therefore, in stating that Weber's Amusement Halls furnish all the advantages for an enjoyable, jolly, frolicsome and deliciously sensational gathering of the sex: The Halls are open every night. Ice Cream and Ginger Beer are kept constantly on hand. The services of an excellent performer on the accordion have been obtained, and the table is well supplied with illustrated papers for the young.

—C. C. Babcock, of the Juniata Gazette, came down last Tuesday and left yesterday morning. Colton is a jolly fellow, and we are ever so glad to see him. Come again Colton.

—W. L. Van Alstyne, and A. V. Cole and their families were in town last Tuesday and Wednesday.

—Miss Jennie Mathews arrived here Tuesday last, from Lincoln. She intends to make a short visit among her friends and relatives.

—Lee Cream at George Zeiss' every day.

—The Old Man hasn't put in his appearance yet.
