eouri River and touches the State line on Little rain or snow falls in that season so little in fact that cattle live all winter with no hay or grain. Plenty of rain fells in the spring and summer. The summers are not disagreeably warm, as there is always a soul county first began to se the in 1870. In 1871 the county was organized with a population of 45. Its population is now between 2500 and 3000 and is rapidly increasing. There are at pressent 38 organized school districts within its boundries and school facilities are therefore ample-better than those in some Eastern States. The apportionable school fund furnishes nearly enough money to pay teachers' wages. Farmers can buy R. R. land from \$1,50 to \$6 per sere- with tenyears time. There is yet a considerable amount of government lands for homesteads and preemptions. As a stock raising country it is hard 'o excel. Cat'le do well, and for sheep Fortunes can be easily made by raising sheep as the expense of feeding is very small. That corn, onts, barley, potatoes, buck wheat, and all kinds of roots and vegetables, are grown here with little labor. 35 burhals of sod corn to the acre is nothing new. Wheat averages about 25 bushels to the acre. Fruit does extremely well. Every farmer has his orchard growing. Forest trees , row rapidly. Cottonwood, boxalder, whitewood, soft mayle, and nany other kinds of trees grow into timber large enough for fuel in about three years. Osag orange plants do sicely, and in a few years your live fences can be made. Mechanics find employment and fair wages. The very best and purest water is obtained by going from 5 to 100 feet. The cost is very never go d y. The streams of this courty age the Republican and its tributaries, which are as follows: on the south side of the river, Hicks, Ash, and suide Rock creeks. On the

north part of the county is the Blue river and its 'ributaries. The soil of Webster county is a dark, rich vegetable loam. The wild grasses are nutritious and abundant, and make most excel enhay. Limothy, clover, Hungarian and mill ! will undoubteily prove a or fitable priduc-
