THE XLIVth CONGRESS.

FRIDAY, May 19.—After the introduction of several bills and petitions, the Senate closed its doors and resumed the impeachment trial. In the evening the doors were re-opened and legislative business was resumed. The chair laid before the Senate a communication from the Secretary of the Treasury, enclosing a report of the directors of the mint in answer to the Senate resolution, showing the annual product of gold and silver in the United States, from 1845 to 1875 inclusive, and an estimate of the product of other countries. Ordered printed and to lie on the table. Ad-

A resolution was introduced and referred for final adjournment of Congress, June 12. The House went into compriation bill, and was addressed by Mr. Willis on the navy yard system and in favor of abolishing all the navy vards except those at Brooklyn, New York, reduction of \$4,250,000 as compared with the naval appropriations for the current year. The evening session was devoted to debate on the bill. Speeches were made in favor of abolishing navy yards, and also a speech by Mr. Wallace, of Adjourned.

SATURDAY, May 20.—Senator Morton, from the committee on elections, submitted a report on the Spencer election case, which was ordered printed. Senator Mitchell called up the Senate bill for the relief of G. B. Tyler and E. H. Luckett, with the veto message of the President. The bill authorized the Secsons named \$160 wrongfully collected in the second district of Kentucky as tax for keeper of a bonded warehousepassed, not withstanding the objections of the President, yeas 46, navs, none. The Senate went into secret session on the question of the jurisdiction in the impeachment matter, and Mr. Boutwell spoke in opposition. Without reaching a decision, the doors were re-opened, and the Senate adjourned.

The House went into committee of the Whole on the naval appropriation bill. Mr. O'Neil spoke in opposition to abolishing the League Island Navy Yard. Mr. Blount, who has charge of the bill, moved to reduce the appropriation for the pay of the navy from \$6,-250, 000 to \$5,750,000, and to allow officers mileage at eight cents a mile. Mr. Randall offered an amendm at for civil establishment of the several navy yards \$85,000, and authorizing the Secretary of the Navy to organive a Naval Board of five commissioned officers in the navy as soon as practicable, whose duty it shall be to examine fully and determine whether in their opinion any of the navy yards can be dispensed with and abandoned, and if so, to report the best manner of making disposition of the same; and further to inquire as to the propriety of establishing a naval rendesvouz at Tybee Island and Cockspur Island, in Georgia, and whether any Government property at said navy yards can be made available and suitable for such purposes; said Board, through the Secretary of the Navy to report to Congress at the beginning of the next session-\$2,000 being appropriated to meet the expenses incurred by said Board. Mr. Garneld, from the committee on Ways and Means reported a bill authorizing the Secretary of the Treasury to make allowance for compensation to Collectors of Internal Revenue who went out of office prior to February 8th. 1875, on final settlement of their accounts. Passed The Speaker announced the following committee to investigate the conduct of the Clerk of the House: Messrs. Payne, Forney, Marsh, Waite and Harrison. Adjourned.

MONDAY, May 22.-H. W. Barnum. Senator elect from Connecticut, took the oath of office. Senator Sherman pre-Kener, aged 17, and her nephew, aged 2 sented the petition of A. W. Clapp, Congressional Printer, to the effect that he is an officer of the Senate: that great injustice has been done him by the comare retained from him by that committee, and that no opportunity was given for explanation of the charges before the committee on privileges and elections, with instructions to inquire into some time the doors were re-opened, and judiciary, reported adversely on the res- Times. olution instructing the committee to inquire into the expediency of establishing a penitentiary at Ft. Smith, Arkansas, for the confinement of United States prisoners, and the committee was discharged from further consideration "swell" establishments. There is abunof the subject. Adjourned.

Mr. Tucker offered a resolution directing the President to inform the House whether he has received any official information in regard to violence and danger menacing American citizens several others. Loss \$100,000; partially in the Ottoman Empire, and whether insured ... A young man named Mayo any steps have been taken for the from Boston was instantly killed by protection of such American citizens. Adopted. Mr. Page offered a resolution declaring that the power to elect the President has never been delegated to by a strict party vote. The House went into committee of the Whole on the naval appropriation bill, the pending amendment being the reduction of nummade by several members. After a long

TUESDAY, May 22.-Mr. Conkling from the committee on foreign relations reported, with amendments, the House Joint resolution, suggesting the intercession of the United States to secure the release of Condon from an English submitted a resolution that the Secretary of the Treasury be directed to furnish to the Senate a detailed estimate of the laws granting pensions to the soldiers and sailors of the war of 1812, and their widows—agreed to. After reports on a number of bills of an unimportant character, the consideration of the articles of impeachment was resumed with closed doors. Before reaching a decision the doors were re-opened and

the Senate adjourned. The House went into committee of the whole on the naval appropriation bill, the question being on the continuizing the establishment of naval stations at Tybee Island and Cockspur Island. The committee rose and reported the ill, and it passed. The House then the Indian appropriation bill. Without making much progress in the bill, the committee rose and the House adjourned.

WEDNESDAY, May 24 .- A joint resoution asking the President to take the ate bill for establishing the rank of Paymaster General as Brigadier General passed. The Senate went into exof impeachment, and soon after ad-

House. Pennsylvania, on the finance question. the South Carolina contested election case, declaring the sitting member, Joseph H. Rainey, to have been duly elected.—Ordered printed and recommitted. The House then proceeded to consider the Louisiana contested case of Spencer vs. Morey—the report of a maority of the committee being that Wm. B. Spencer, contestant, is entitled to the presume the Royal ladies cannot afford seat, and Frank Morey, sitting member. is not, and the minority taking the opposite view. Without taking action on the resolution, the matter went over Belgian laces are the best, and they for the present. Mr. Wilson, of Iowa, come from professional workers; but offered a resolution directing the committee on Commerce to inquire isto the alleged combination of leading railroads in the United States for the purpose of controlling traffic—adopted. Adjourned.

> THURSDAY, May 25 .- Senator Wright, from the committee on civil service and retrenchment, reported back the bill thirty etchings made by Victoria Regina. fixing the salary of the President at Most of those that I saw were good; \$25,000 per annum together with the few would be open to criticism on the message of the President vetoing the same, and recommending that the bill be passed, notwithstanding the Presi- that of shading. But we don't often get dent's veto. Senator Wright said he had been directed by the committee to request the Senate to act on the bill as soon as possible-placed on the calendar. is reminded of Dr. Johnson's remark Senator Paddock from the committee about the dog that danced on his hind on postoffices and post roads, reported with an amendment in the nature of a substitute the bill to restore the franking privilege-placed on the calendar. The Senate resumed the consideration at all. But please don't send a copy of spreading too much and splitting the of the articles of impeachment with this paper to the Queen, or I may never osed doors, and soon after adjourned.

The Senate amendments to the bill or spend a week at Balmoral. uthorizing the appointment of reeivers of national banks were not conurred in. The House went into committee of the whole on the bill to revise and simplify existing laws imposing du- ian Department in the Main Building ties on imports, and to reduce taxation. | Canada sends some painted velvets that condemning the action of Gen. Robert C. Schenck, United States Minister to tinguished from embroidery when you the Court of St. James, in becoming a are a few steps away. Sweden sends director of the Emma Silver Mining Company of London, and his operations in connection with the shares of said company and vendors thereof, as illadvised, unfortunate and incompatible with the duties of his official position. After some further unimportant business, the House adjourned.
