At last we are to have a daily mail The following from a California pafrom Hastings. The extra service will per, might prove of service to some of our readers :

Dr. Hawley is our agent for Oak "I herewith append a recipe which has been used, to my knowledge, in hundreds of cases. It will prevent or cure the small pox, though the pittings are filling. When Jenner discovered cow pox in England, the world of science hurled an avalanche of fame upon his head; but when the most scientific school of medicine in the Correspondents who send in letters world-that of Paris-published this recipe as a panacea for small pox, it passed unheeded: it is untailing as fate, and conquers in every instance. It is harmless when taken by a well person. It will also cure scarlet fever. Here is the recipe as I have used it, small pox; when learned physicians for spring work. Bring em in. said the patient must die, it cared Sulphate of zine, one grain; foxgleve (digtails) one grain; half a tea-poonful of sugar; mix with two tablespoon-ful of water. When thoroughly -James Maxwell, Fred Lutz, Wittie mixed add four ounces of water. Take a spoonful every hour. Fither of the Goods, of any house in the City. 17m3 For a child, smaller doses according to age. If counties would compel physicians to use this, there would be no need of pest houses. If you value advice and experience, use this for that terrible disease."
