FOREIGN NEWS.

The Carlist leader Medray, has applied to Gen. Quesada for amnesty, and many Carlist officers are claiming daily. Dr. Johann Jacoby, the well known German politician, is dead.

The Schools of Iowa.

Statistics from the forthcoming Report of the State Superintendent. The total number of ungraded schools in the State is 9,454, and the number of graded is 405.

STARVATION AND CRIME.

It is a matter that deserves the careful consideration of the people. The number of pupils in the State between the ages of five years and twenty-one is 533,920—284,781 males; 249,139 females.

ON THE DOCK.

of the Clark Thread Company, which is five hundred feet long, is a mountain of bales and lying in parallel or in the same line of direction and also to remove the small pellicles or notes which may have escaped the action of the scutching machine.

THE OLD SLAVE DAYS.

many of them having as high as six hundred of them, and compared with whom the feudal lords of England were children in luxury, hospitality and elegance. But to-day all is changed.

James Madison Mason, who died in Orange county, Virginia, recently, was the last of President Madison's nephews.

A three-year old little girl, at Rochester, N. Y., was taught to conclude the evening prayer, during the temporary absence of her father, with "and please watch over my papa."

At number 400 Broadway, corner of Walker street, New York, is the splendid marble building of George A. Clark & Brother, the selling agents of the Clark Thread Company.

THE METALS IN OLDER TIMES.

It has sometimes been questioned whether the Egyptians had any knowledge of steel. It seems unreasonable to deny them this knowledge.

THE WAREHOUSE.

where the beautiful little label containing the name, number, etc., of the spool is printed, and the spools of them will put labels on the spool.

THE PROCESS OF TWISTING THEM.

is exactly the same as the one last described. It is known as the finishing twisting department.

THE THREAD IS CAREFULLY INSPECTED.

the work employed several girls, who all the rough and imperfect threads of the water are washed, and in inspection, we find it next in the bleach house.

CLEANS IT PERFECTLY.

It is then put through washings off, and preparations wonderful and curious are made, which have the effect of having increased the flood just about enough to have lifted Noah's ark from the snags on Mount Ararat.

THE CLARK HOSE COMPANY.
