We have an addition of several persons by the name of Dice, a have bought in this precinct, also an agricultural implement dealer has come to Stillwater, greatly to the satistaction of our termers. His name is R. B. Brigham. Our farmers are very busy sowing wheat at present.

NEW LAWS.

An Act To prevent sheep and other demestic animals from being killed

Be it enacted by the Legislature of the State of Nebraska:

Section 1. That the owner or owners of any dog or dogs shall be liable to an is due. ection for all damages that may accrue to any person or persons, by reason of sich dog or dogs killing, wounding, worrying. or chasing any sheep or do-mestic animal belonging to such other person or persons; and the dimage dene may be recovered in any court having jurisdiction of the amount

Sec. 2. If two or more dogs, owned by different persons, shall kill, wound chase, or worry any sheep or any other domestic animal, such person or per sons shall be jointly and severally lia

Sec. 3. The municipal authorities of ing : any county, city, town, or township shall have authority, by ordinance of resolution entered at large on the proper journal or record of proceedings of such municipality, to impose a license ram of not more than five dollars for mis ion to inquire into the habits and each dog, on the owner or herborer of any dog er dogs, which license tax shall constitute a special fund for the payment of all damages done by dogs age in the agricultural districts of the | within limits of the body imposing the same, to be paid by such regulations The commission will have its head- as shall be provided by such ordinance

in which the larger part of the indoor | right to kill any dog found doing any law.) expect to get into the field in a few mestic animal, or shall have just and days. Prof. Riley will occupy himself reasonable ground to believe that such m re particularly with the whole counding has been kiling, wounding, chastry east of the mountains and south of i.g., or worrying such sheep or animal, the 48th parallel, also the west half of and no not shall be maintained for such

ca. Prof. Thomas takes Minnesota, Sec. 5. It shall be the duty of every this report, one can be had by writing Nebraska, South Dakets and East owner or owners of any dog or dogs, Wyoming; while Prof. Packard will to securely place upon the neck of make Montana, West Wyoming and such dog or dogs a good and sufficient the Pacific slope his special field. Tue collar, with a metalic plate thereon, on natural history remedies, prevention which shall be plainty inscribed the measures, the meteorological and geo- name of such owner. It shall be lawgraphical bearings of the subject, etc., ful for any persons to kill say dug will also be divided and allotted to fa- found running at large, on whose seck there is no collar, as aforesaid : and no These learned gentry can go aboud action shall be maintained for such

> Sec. 6. Every person who shall herbor about his or her premises a coller times," the word "month" is used less dog for the space of ten days, shall | swice-the last word in the first two to taken and held as the owner, and suggest shall be liable for all damages which

dog or dogs who shall permit the same will please make this correction before county treasurer, for the benefit of the and medicine dealers. - Kons & Chief. school fund of the county in which the And we, too, are victimized. No line was imposed.

WENTLES THE WEST'T

A week or so ago we chroni-led the death of the Harvard Advocate This week it is our painful duty to inform our readers of the demise of the Edgar Exponent, which has "gone where the woodbine twineth," and J. Weite, its editor, bide a tearful farewell to his

All over the country newspapers are dring out for the want of the support that they should have, and which rightly belongs to them. Of course if a man does not wish to help support a paper in his town, he is at liberty to refuse, but when a man owen a print er's bill he has no right to refuse to pay it. Many papers have gone down simply because they trusted out their Warren Clough, convicted of mur- capital, and then those who had been accommodated. Would not pay their has been sentenced to be hanged July hopest debts. It has been clearly de monetrated that a printer cannot live on air, no more than anyone else can.

School District Business.

The annual meeting of each school district must be held on the first Mon-

DEAR EDITOR .- With friend-hip time for this meeting, and as some boards are without copies. I desire to There has been some excitement here the state, in regard to the business :

1. The director must give written or been buying up all the land in this vi- printed notice of the annual meeting cinity, that he can get, at low figures. at least fifteen days before, stating day, This Mr. Johnson has bought over hour and place of meeting. (See see
