Mr. John Crompton, Garber's gentlemanly clerk, kindly presented us a neat little book in which to note down "passing events."

We learn from a private letter reocived from a gentleman in Juniata that that spunky little burg is still the "capitol" of Adams county.

A ride out in the country last Sunday convinces us that wheat, oate, harley and rye never looked more promising than they do this season. e Corn tooks well, too, although the continued wet weather has retarded its growth to some extent.

The contest for county offices the coming fall promises to be a warm one. The officers to be elected this fall are as follows: One county clerk. one county treasurer, one county judge one county surveyor, one county commissioner, one coroner, and county superintendent.

Our remarks in a recent number o the CHIEF had the effect of bringing out the full editorial force of the Guard who laid it onto us thick and beavy. The first and shortest notice, was, evidently the production of harmless Bro. Huffman himself, who we consider a very good fellow at heart. The artic'e alluded to by us as appearing in the Guard was copied from another paper, and was not original with the Guard. ON THE TURE

Last Saturday was a lively day for Red Cloud! Horse racing was the attraction that brought men from all parts of the country, from Kansas and Sanklin county. Betting was indulged in to some extent, and considerable of money changed hands. The first mee was between Richardson's and Carber's horses, which resulted in Richardson's horse coming out ahead.
