EDITORIAL

The Red Cloud School. We are informed that considerable dissatisfaction exists with a majority of the people of Red Cloud, in consequence of the course pursued by the school board in the matter of employing a teacher for the next term of school in this district.

Now that harvest is over, and the haying season is at hand, we would suggest to the farmers the importance of securing an abundance of manure for their crops.

We would also discourage the practice, too prevalent in this county, of burning the stubs of straw, as soon as threshing is done.

The Neesholt Co. Herald, in giving an account of the recent shooting affair in Red Cloud, gets it somewhat mixed up, however it does not matter.

A fire battle between Gen. Gibbon's command and the Nez Perce Indians, on the Big Hole river, Montana, August 9th, in which the reds were victorious, killing 80 men.

The starting fact is announced that thirty-two railroads in this county have been sold under foreclosure since the first of January last.

NOTES FROM LOUISIA ORDRE

It has been some time since you heard from our side of the river. I would say that everybody are enjoying themselves in the prospects of a good crop this fall.

A direct mail route, now from Red Cloud to Lowell. The Cass Co. Chronicle has completed its first year.

Two innocent men on their way home from the Black Hills, were arrested recently, on the supposition that they were horse thieves and kangars.

The body of an unknown man was found near Cedar Island in the Platte river, between Council and Platte mouth, on Saturday last, by the Thomas boys.

Nebraska is able to give every citizen in its domain plenty of work, plenty to eat and enough to wear.

Omaha Commercial Exchange: A grave danger threatens Omaha from the change of the channel of the Missouri River, which is cutting toward the west of the Missouri.

As the medical readers of this paper have, on different occasions, been informed of the Beneficiary Scholarships created by the Trustees of the Louisville Medical College.

These Machines have stood the test for YEARS and need no recommendation from us. FOR SALE BY: Ira Sloop, Red Cloud, Neb.

WHEAT

Wheat is the most valuable crop raised in this section of the State. The wheat, oats, and barley, and all small grain will give a good yield.

There is no end to vegetables, such as beans, cabbages, parsnips, turnips, onions and potatoes. Everybody seems to have plenty of them.

Some of the farmers are beginning their fall plowing, and making preparations for another year's crop.

A few grasshoppers lit in some parts of the county last week but was not numerous enough, nor did stay long enough to do any damage.

The difference—Two years ago every farmer looked as though he was going to Sabbath school or coming from a funeral, now you can pick a broad grin off from any angle of the face.
