THE FARMERS' REVIEW.

The latest addition to our exchange list is the FARMERS' REVIEW Chicago, Ill., and a most welcome addition it proves. It is as full a department as the government at Washington, and they all bear evidence of unusual skill and industry in their management.

It is emphatically a model farm and family monthly. It is, without the most and cheapest journal of the kind in the world. Fifty cents secures a copy for one year. We will furnish the REVIEW and our own paper, each one year, for \$2.15 each in advance.

THE NEW PARTY.

Just arrived from the east, and the "old settlers" in the West, find that the old eastern do not relieve the discommodities to this new Western climate. The verdict of every family on our Brown Vegetable Liver Pills, is that they have no equal for relieving constipation, sick headache and biliousness, and that Karola Ague Pills never fail to cure the shills when taken as directed.

Brown's Cough Balsam, for coughs, colds, and lung affections, contains no stupefying opiates, but relieves by soothing the irritated parts, and producing easy, gentle expectoration.

Brown's Tar True's are invaluable to public speakers and singers, and all afflicted with sore throat and hoarseness.

Brown's Arnica salve stands without a rival for removing inflammation and healing old sores, ulcers and freshets.

Sarsaparilla, Dandelion and Iodide of Potassium is the king of remedies for blood, liver and skin diseases.

For sale by the Peoples safe and reliable Druggist, C. H. Potter Red Cloud Neb.

Our genial friend Cook came round with the apolo today. You see a young Cook came to his home and every body is happy 'cause it's a girl.

News Kaler and Sutton of Michawaka, Indiana are putting up a building 16 x 24 x 14 just north of Mitchell & Morhart's, which they will work up as a butcher shop.

Statis precinct has a queer way of counting votes. There were 26 votes polled and 41 counted on the bridge question. Please run and explain. Our columns are open.

LEGAL NOTICE.

In the matter of the petition of H. S. Kaley Administrator of the estate of Robert Morrow deceased filed in the District Court of Webster County Nebraska praying for a license to sell the interest of the heirs of Robert Morrow in and to the following described Real estate for the purpose of paying the debts and liabilities of said estate to wit:

W. H. & G. 20 Town 4 Range 12 West, also the 1/4 Sec. 14 T 4 R 12 West except 4 acres of the North-East 1/4 of said section also four (4) acres of regular town along the east side of W. H. & G. of said Sec. 14 situated in Webster county Nebraska.

D. 1878 at 10 o'clock A. M. of said day, to show cause why a license should not be granted for sale of said Real estate as prayed for in said petition. And it is ordered that service of this notice be served upon all persons interested in the estate at least fourteen days before the time appointed for hearing the petition or that the notice be published in the Red Cloud Chief for six weeks previous to said day of hearing.
