By a Competent young man 21 years Land Office at Bloomington Neb. Oct. 8th. 1879 lameness and removing the bunch. I examined the legs carefully and could find no difference in the size of the joints, and could not tell upon which the spayin was located. The horse has been worked hard since and upon examining him the second time a while since, after an interval of 3 or 4 years, was pleased to find no return of the difficulty in any shape or manner; one leg is as sound and perfect to all appoints.

By a Competent young man 21 years amined the legs carefully and could find glish. Call or address at this office. Wages no object.

STATEMENT UNDER OATH.

To Whom it May Concern:—In the year 1875 I treated with Kendall's Spavin Guera bone spayin of several months of the difficulty in any shape or manner; one leg is as sound and perfect to all appoints.
