

THE CHIEF.

LOCAL MATTERS.

The agony is over. Lively times on election day. F. H. Gore is happy—it's a bouncing day. Ladies' dress buttons at Mrs. McBride's. Latest styles of hats always at Mrs. McBride's. We printed nearly ten thousand election tickets. Jewelry and fancy notions at Mrs. McBride's. Winter with its biting winds will do a bit here. Ladies and children voters a specialty at Mrs. McBride's. The recent cold snap created a demand for coal and wood. Children's coral rings at five cents each at Mrs. McBride's. Teachers' contracts for sale at the Chief office at five cents each. J. H. A. Baird has opened his new dental office next door to the bank. The election is over and the voter now buys his own drinks or goes without. The Bloomington Grand proceeds to discard the patent, enamel, and print all at home. The candidate no longer settles 'em up and affectionately enquireth after the health of your family. 3000 bushels of corn wanted at Chas. R. Putnam's flour and feed store—highest market price paid. Burton & Sons have just finished burning brick. They now have on hand 160,000 brick for sale. Work is reported as progressing lively on the railroad between the mouth of Elm creek and Superior. Money to loan on real estate and chattel mortgage. 141 M. R. BENTLEY, Red Cloud. Dr. H. H. Baird, of Riverton, called at these headquarters last week. He proposes to locate in the practice of dentistry in Red Cloud, soon. To a newspaper man it sounds foolish to hear a man talk about buying a power press to strike off about three hundred copies of a patent inside paper. Riverton now has an organized vigilance committee. We suppose they will make it uncomfortable for horse thieves and other law breakers. The Boone county News, a new paper just started at Albion, Boone county, is an outburst. It is a sprightly little sheet and we hope its founder may accumulate wealth. At the request of a number of our subscribers we hold the paper back for the official returns from the election, which makes us a little later this week than usual. All who desire hedge plants will do well to consult the undersigned at Hastings. Hedge plants this fall at \$2.25 per 1000. Next spring \$2.50 per 1000. J. CHERNEY, Hastings, Neb. Last Friday our band boys went over to Salem, Kansas, to take a hand in the festival given by the Salem Cornet Band. We understand a general good time was had. The printing for the occasion was done at the Chief office. Adams county wants to fund its county indebtedness. If we remember rightly the indebtedness of Webster county was once "funded," and county warrants—well they continued to sell at from 60 to 80 cents on the dollar! We are in receipt of a communication from Salem, Kansas, in regard to certain matters there which we do not think would interest our readers, and moreover, the writer is not a subscriber to this paper, hence it don't appear. Mr. G. A. Brown has taken charge of Mr. Keel's stock of furniture and moved it into the large stone building north of the Chief office. Mr. Brown will conduct the business of furniture dealer at Baum's old stand. Look out for his "ad" next week. Henry A. Schlenker, the drunken brute who murdered Florence Booth at Lincoln a little over a year ago, was granted a new trial and plead guilty to murder in the second degree. He was sentenced to the penitentiary for fifteen years instead of being hung. The editor of the Argus opposed the election of Messrs. Garber, Warren and Pope on the county ticket, and Hawley and Kaley on the precinct ticket. The Chief supported these men and they were all elected but one. The Argus "root-tors" are for sale at a discount. MARRIED—On the 29th of October, 1879, at the residence of the officiating minister—Rev. Geo. O. Yeiser—in Red Cloud, Mr. John S. Holt and Miss Sophia Lundquist, both of Smith county, Kansas. On the 29th of October, 1879, by the above minister, Mr. Jas. T. Walter and Miss Alma Small, both of Jewell county, Kansas. We have received from Mr. I. S. Keel a letter of praise for Dr. Mathewson and Hays of the State Insane Asylum. As the letter in question was evidently dictated by the said doctors for the purpose of getting a little free advertising, we, without intending any discourtesy to Mr. Keel, respectfully decline to publish the article. Last Friday evening, while Dr. Morris was returning from visiting a patient on the south side of the river, his team ran against a post which had been set in the road to warn folks from crossing the ground, upsetting the buggy and throwing the doctor out, inflicting painful though not serious wounds. The team ran away and demolished the buggy. When faced by Mr. Westover who went in search of them, they were wandering about apparently lost. The doctor, after being forsaken by his team and buggy, walked back, a distance of about five

STATEMENT UNDER OATH.

To WHOM IT MAY CONCERN—In the year 1875 I treated with Kendall's Spin Cure a horse named in several months' growth, nearly half as large as a hen's egg, and completely stopped the lameness and removed the enlargement. I have worked the horse ever since very hard since and he never has been lame, nor could I ever see a difference in the size of the hock joints since I treated him with Kendall's Spin Cure. R. A. GAINES, Enosburgh Falls, Vt., Feb. 25, 1879. Sworn and subscribed to before me this 25th day of February, A. D. 1879. JOHN H. JENSEN, Notary Public. C. F. Goodman, Agent, Omaha, Nebraska 31f.
