\$1. a year in Advance, \$2. at end of year

R. V. R. R. Time Table. Taking effect Sunday, May 4th 1879.

Agents Wanted The New Style "FAMILY

Machine Reduced to \$25

Too Long in Use to Doubt its Superior Merits. NO MONEY TO PAY UNTIL MACHINE IS DELIVERED TO YOU AND EXAMINED I makes the shuttle double-thread lock-stitch ved the highest award at the Centennial Ex-sition, Philadelphia, Pa., in 1876. And is complete with a Larger Assortment of Attachments for fine work than any other machine, and Red to only \$15. It an easy and pleasant machine to operate,

It is an easy and pleasant machine to operate, waires the least care, produces every variety of work, and will tast until the next century begins. Strong, Simple, Rapid and Efficient.

Use it once, and you will use no other. The money cheerfully refunded if it will not Outwork and Outlast any machine at druble the price.

Latts soil them faster than any other in consequence of their being "the best and the Lowest Price." Each machine thoroughly warranted with written guarantee for five years. Kept in order Free of Charge; money refunded at once it not estisfactory.

It is the most solid, reliable and satisfactory makes ever invented for all kinds of family work. It is an acknowledged unequivocal mechanical success, thoroughly tested, and used in thousands of houses. An efficient, silent, rapid, reliable, and ever-ready helper to the weary wife or learnstress, it will do the work of a family for

of learnstress, it will do the work of a family for a life-time, or it will earn from \$4 to \$5 per day for any one who wishes to sew for a living. This machine costs less than Half the Price of any new machine of like quality. Has extra long, large-sized Shuttle, easily removed. Extra large-sized bobbins, holding 100 yards of thread, doing away the the frequent rewinding of bobbins. It is nor strength and constant hard work. Interpolished steel. Will run for years without repairs: is simple to learn, easy to manage, understood in an hour, and always ready in a moment to do every description of heavy or fine work at less cost or trouble than any machine at any price ever did, or can do. It will sew anything a needle can pierce, from lace or cambric to heavy cloth or harness, with any kind of thread, and will run off twenty yards per minute, it uses strong, straight needles, and never breaks them. It caunot miss or drop a stitch, ravel or them. It cannot miss or drop a stitch, ravel or break the thread. If you have any other machine buy this and have a better one. The case and rapitity of its motionand quality of its work, are its be recommendations. It will bem, foll, tuck, braid, cord, bind, gather, quilt, ruffle, pleat, fold, madden white will be a submider two many properties. callen, shirr, roll, baste, embroider, run up The Prices for our NEW machine ever invented.

BEWARE OF IMPOSITION.

The Prices for our NEW machines are less than those asked by dealers in second-hand, rebuilt and refinished machines, or those selling out old

stock to close up business, many such inferior and old style machines being offered as new at reduced prices; beware of imposition and only machines. There are no NEW first-class are offered as low as the "Family," by many Machines sent for examination before payment of Bill. Extraordinary inducements offered to Clergymen, Teachers Storekeepers, etc., to not as agents.
Horse and wagon furnished free. For testimonials see descriptive books, mailed free with samples of work, liberal terms, circulars, etc.
