Cucumbers are plenty.  
The crop of house flies never was  
better.  
This is the time of year to mow down the  
weeds.  
People can now indulge in the luxury of  
green corn.  
The population of Nebraska is esti-  
mated at 440,000.  
Hastings, according to the enumer-  
ator, has a population of 2,921.  
Boys, don't let that Gymnasium en-  
terprise dwindle and die out.  
Mr. Becker subscribes for a copy of the  
CHIEF for a friend at Batin.  
We received several new subscribers  
last week, and a number last week.  
You cannot be too careful of your  
ones at this season of the year.  
P. Newcomer, of Blue Hill, was a  
caller at these headquarters last Satur-  
day.  
The pay car passed over the road  
last Saturday, and made all the boys  
happy.  
The Red Cloud mills are now well  
supplied with printed stationery from the  
City office.  
The large tank at Miner Bros. store  
was moved to its place on the scaffold-  
ing last Saturday.  
The crop of candidates, in this county  
for the lower branch of the legislature  
promises to be unusually large this fall.  
Subscribers for the RED CLOUD CHIEF,  
sent to any address from now until the  
first day of January next for 60 cents.  
Now is the time to send a few copies  
of the CHIEF to friends in the east—  
from now until January.

A small boy, now that  
the apple "catch" has occurred  
plenty, seems to be troubled up with  
anguish.  
This is a splendid time of year to pay  
up back subscription. We need a little  
money and will appreciate your efforts  
in this direction.  
A number of exchanges are ask-  
ing: "Are we going to vote for U. S.  
Senator this fall?" That is what we  
would like to know.  
Three babies have been making music  
on the streets for those who had the  
time or inclination to listen.  
The son of the name of a new paper  
just started at Edgar, is Kautzman &  
Jones. It is a very pretty little sheet,  
and we wish it an abundant success.  
The man who does not support his local  
paper does not deserve success. The  
local paper supports your interests and  
the interests of the town and county.  
The Philadelphia Company  
failed to put in an appearance last  
Thursday evening, as advertised, on  
account of the sickness of some of the  
actors.  
We understand that Mr. Weston has  
about completed plans and specifications  
for the Episcopal church, and  
work will be commenced on it at an  
early day.  
J. & Hope, of Karwin, Kansas, was  
in town last week. He is talking up  
the matter of organizing a lodge of the  
Ancient Order of United Workmen in  
this village.  
An exchange truthfully remarks that  
no man can truly say he is happy and  
healthy, and that he loves every day,  
when he owes a year's subscription to  
a newspaper and has none.

The Junius Herald has covered  
hands again. Mr. Knickerbocker, the  
principal of the Junius school, has  
sums control. That means he is  
to kill any ordinance or paper.

A pleasant little ice cream party at  
Mr. Blair's a few evenings since, at  
which my editor took a hand. We only  
got away with a couple of quarts of the  
delicious cream, we wasn't feeling very  
well.

Two base ball clubs, a gymnasium,  
a brass band, and now they are talking  
of organizing a Young Men's Christian  
Association. What has Red Cloud  
done that should deserve all these  
evils.

Mr. W. H. Reed has opened up a  
stand just south of the city drug store,  
and will keep on hand a supply of green  
fruits, candies, confections, tobaccos,  
cigars, etc., and invites a share of the  
public patronage.

The Bloomington Assoc. contains the  
following "bulletin to the 500":  
"Webster county fills 600  
bulletin in her late census from the  
enumerator's return of last year. Were the  
enumerators or enumerators drunk?"

The days are growing shorter.

premium.  
Mr. S. C. Smith's residence will soon  
be completed.  
Hotter than — well hotter than we  
like to see it.  
Dog days are coming on apace. The  
dogs are already here.  
David Lutz has traded his homestead  
near town, to Lou. Albright.  
Blanks of all kinds constantly kept  
on hand at the CHIEF office.  
We met quite a number of Cowley  
people in town last Saturday.  
Read the advertisement of Kendall's  
horse books, in another column.  
These are pleasant evenings for  
young folks to swing on the gate.  
Subscribe for the CHIEF and get one  
of those neat little books free of cost.  
Carl Weber is making his third or  
fourth trip to Washington Territory.  
We are indebted to Mr. Frank R.  
Gump for late Sandusky, Ohio, papers.  
We learn that Mrs. Henry Wood-  
worth is very sick, at the Boys' Home.  
We understand several residences  
will be built in Red Cloud this coming  
fall.  
W. A. Scott, Sheriff of Nuckolls  
county, was on our streets last Tues-  
day.  
Congregational Services at the court  
house, on next Sabbath at 11 A. M. and  
8 P. M.  
Mr. Desney, for some time an em-  
ploye at Miller's harness shop, lost a  
child last week.  
The CHIEF office is doing job printing  
at bottom figures now, and don't you  
disremember it.  
A special session of the Board of  
county commissioners is called to meet  
next Friday, the 30th.  
C. C. Coon was in town last Tuesday  
and presented ye editor with a nice  
bunch of pie plant, as usual.  
Prairie chickens will be ripe in Kan-  
sas the last of August, in Nebraska they  
are not fit to gather until the 15th.  
It is reported to us that since the  
heated term commenced the hens have  
all begun laying hard boiled eggs.  
Mr. C. W. Springer closed his school  
for a three weeks vacation. School  
will commence again next Monday.  
Dogs ought to be prohibited from  
running at large during the heated  
term, or their owners kept muzzled.  
Master Freddie Lutz has become an  
attache of the CHIEF office with a view  
to becoming a full fledged disciple of  
Faust.  
R. W. Cunningham, of Cass county,  
was registered at the Boys' Home last  
Friday. He was on his way west to  
buy cattle.  
It is reported that the Valley House  
will soon have to close, owing to the  
inability of the proprietor to meet his  
obligations.  
The Inter-Ocean and the CHIEF, both  
six months for \$1.25, come in and sub-  
scribe and keep posted during the presi-  
dential campaign.  
We now offer a premium to every  
new and old subscriber to the CHIEF  
who pays a year in advance. The pre-  
mium is one of Kendall's horse books  
which, alone, is worth the subscription  
price to any one who owns a horse.  
The emigration exceeds anything  
ever witnessed in this country  
at this season of the year. The setting  
sun glimmers on the "tale gates" of  
countless numbers of covered wagons  
will tell hard tales of life's folks.  
Mrs. H. Palmer, Mrs. J. M. Fryse  
and Mrs. Ed. Kellogg took their de-  
parture for Ohio, last Wednesday,  
where they expect to spend several  
months visiting. Mrs. Palmer came in,  
before leaving, and ordered the CHIEF  
to visit her weekly during her stay in  
the east.  
An exchange truthfully remarks that  
a true printer is the last man in the  
world to go to when you desire to find  
out the orthography of any article. He  
always holds his knowledge of the "in-  
wardness" of a printing office inviolable,  
as much as a Mason or Odd Fellow does  
the secrets of his Order.  
Referring to the management of the  
roads comprising the Burlington &  
Missouri river, in Nebraska, the  
Chicago Times says: "Mr. A. E. Touzaint,  
the general manager, is continued in  
charge. His services are too val-  
uable to be dispensed with. His  
management of the road, it is generally  
admitted, has been excellent."  
Mail service on the B. & M. is now  
managed in this wise: one route is  
from Omaha to Hastings. Two men  
work the Republican Valley division,  
from Hastings to Orleans, touching on  
the offices west of Orleans to Indianola,  
the terminus of the road. On the road  
from Amboy east there is no service,  
the route agents touching on the offices  
along the line.  
We are sorry to have to chronicle the  
fact that the plow factory of Weisner  
& Geborn was burned on Wednesday  
night last week. Nothing was saved.  
It was pretty well insured. The fire is  
supposed to have been the work of an  
incendiary. Mr. Putnam's store and  
Rev. Reilly's house, both being in close  
proximity to the burning building, had  
a narrow escape, only the exertions of  
those present saved them from the  
destructive element.  
The following is the law in regard to  
section-line roads: "Section lines are  
hereby declared to be public roads in  
each county in this state, and the  
county board of such county may,  
whenever the public good requires it,  
open such roads without any prelimi-  
nary survey, and cause them to be  
worked in the same manner as other  
public roads. Provided, that any dam-  
age claimed by reason of the opening  
of any such road shall be appraised  
and allowed, as nearly as practicable,  
in manner herein-before provided."

Turnip seed for sale at Roby's.  
D. S. Coombs is in charge of the  
county clerk's office in the absence of  
Mr. Tulley. Mr. Coombs fills the  
posish satisfactory to all.  
Little Johnny Harvey, son of W. W.  
Harvey, of Inavale accidentally shot  
himself a few days ago, causing a  
severe wound in the thigh.  
Communications from Ambly, Blue  
Hill, Stillwater and Red Cloud were  
unavoidably crowded out this week,  
they came in a little late.  
From Mr. C. W. Springer who has  
traveled over a good portion of the  
county, we learn that the corn crop,  
this fall, will be simply immense.  
Rev. Geo. O. Yeiser will preach next  
Sabbath at Guide Rock at 11 o'clock A.  
M. Regular church and covenant  
meeting Saturday at 2 o'clock P. M.  
Mr. Pope has housed up his har-  
vester and reaping machines, and will  
confine his operations in the machinery  
line to the sale of mowers, exclusively.  
M. E. Church, August 1st, S. at 10  
A. M. Preaching by the Pastor at 11 A.  
M., and by Rev. J. M. Fryse at 8 P. M.  
Prayer meeting every Thursday eve-  
ning. All are invited.  
The entertainment given by the Red  
Cloud Historic Association on Wed-  
nesday evening was not as well at-  
tended as the one on the previous eve-  
ning but there was a very fair atten-  
dance and a handsome sum was realized  
for the church.  
Dr. Tanner, at last accounts, had  
lived 30 days without anything to eat  
and nothing to drink except water.  
The doctor became accustomed to this  
kind of living while engaged in the  
newspaper business in this State some  
years ago.  
Just as we go to press we received the  
following telegram:  
Barnum gives one performance at  
Kearney, August 9th, 1890. Round  
trip fare over the B. & M. to Kearney,  
\$2.00. Train will leave Red Cloud 6:20  
A. M., returning will leave Kearney  
6:30 P. M.  
One of our old friends and subscri-  
bers, A. McCall, met Dr. Hall on the  
street last Monday and mistook him  
for us, but he discovered his mistake  
before the conversation had proceeded  
very far. We don't consider that this  
mistake was any compliment to us but  
we are glad that the doctor feels com-  
plimented thereby.  
From Dr. Sellers, who was called to  
attend the injured ones, we learn of a  
serious accident which occurred in the  
north-east part of the county last week.  
One Haas, lived with his family in a  
dugout, which caved in on the man's  
arms and injuring the old lady and the  
little girl quite seriously. They will  
all, without doubt, recover from their  
injuries in a short time.  
Garfield and Arthur Club.  
A meeting was held last Tuesday  
evening at Gilliam's office for the  
purpose of organizing a Garfield and  
Arthur club. John R. Wilcox was  
chosen chairman and J. S. Gilliam,  
secretary. After the appointment of  
one or two committees and a short dis-  
cussion of the objects and aims of the  
organization the meeting adjourned to  
meet at the court house this (Thursday)  
evening.  
Last Monday evening a man from  
Kansas who has been engaged in  
saloon keeping at Salem, furnished con-  
siderable fun for the boys. He pro-  
ceeded to fill up with benzine, and hav-  
ing among other things, a "pistol" to bet  
ball club could scoop the Red Cloud  
boys. While making these assertions  
he was greeted with such remarks as  
"pull down your vest," "wipe off your  
chin," etc., which made the Kansas  
man "hot," and he proceeded to ex-  
press his opinion of Red Cloud people  
in general and the base ball boys in  
particular in language more forcible  
than polite, but when he saw the  
sheriff approaching he lit out and all the  
small boys in town followed him with  
shouts of derision.

News From Up and Down the Valley.  
Superior has a lady barber.  
Cheap claim lawyers are said to be  
plenty up the Valley.  
F. P. Bonnell has been installed as  
station agent at Superior.  
Cattle buyers are said to be plenty  
in the western valley counties.  
Indianola is said to be the liveliest  
town in the valley west of here.  
Five car loads of hogs were shipped  
east from Riverton one day last week.  
A Sunday school convention will be  
held at Superior July 31st and August  
1st.  
The Riverton postoffice will be a  
money order office on and after  
August 2d.  
Will London and Superior wants to  
move the county seat from Nelson, but  
Nelson says nix.  
The total population of Nuckolls  
county as shown by the late census  
enumeration is 4,201.  
Hon. John B. Finch has gone to Re-  
publican City to lecture on temperance,  
hope he'll convert Macmillan.  
Hon. G. W. Dorsey, of the Bloomington  
Land Office has been quite sick for  
some time, but is now convalescing.  
It is said that the Central Branch  
Railroad will not cross the B. & M. at  
Hardy, but will come up the river to  
Superior.  
The Nelson Herald don't like to be-  
lieve that the Central Branch will run  
up the Republican river, it says it will  
go straight to Nelson.  
The second annual re-union of the  
Soldiers of the Republican valley will  
be held at Alma, September 9th and  
10th. All soldiers of the State are in-  
vited to attend.  
Porter Beyer, Treasurer of Franklin  
county is reported to be a defaulter to  
the tune of from five to seven thousand  
dollars. He was asked to resign by  
his bondsmen, which he did.  
We understand Jones & Magee have  
sold their lumber yards at this point  
and Indianola to Birge & Frees, who  
already have goods at these points and  
will consolidate them.—Arapahoe Pioneer.  
Quite a number of the practicing  
physicians in this part of the state as-  
sembled at Bloomington on the 20th,  
and affected a temporary organization  
of the Republican Valley Medical As-  
sociation, so says the Banner.  
Since our mail east and west is being  
carried on the cars, we do not have as  
good facilities as when carried by stage,  
as now a letter bound from Superior to  
Hardy must be sent to Red Cloud and  
then forwarded to Hardy.—Guide.  
A District Normal Institute com-  
posed of Franklin, Kearney and Harlan  
counties will be held at Bloomington  
commencing August 16th and continu-  
ing two weeks. The call is signed by  
the State Supt. of Instruction.  
The Orleans Sentinel says: A. S.  
Barnes four years ago invested \$100 in  
sheep. He has since that time sold  
\$400 worth of wool, and was offered for  
his flock \$340, making in all \$8.00 for  
his investment of \$100 in four years.  
Sheep raising pays.  
The Kirwin mail carrier reports a  
very destructive hail storm occurring  
Sunday evening the 11th inst. Com-  
mencing near the line south of Riv-  
erton, the storm took a strip a few miles  
wide, extending a long distance south  
and beyond Smith Center, making a  
clean sweep and total destruction of all  
crops.—Bloomington Guard.  
Complaint of a serious nature con-  
cerning various sections  
of the Valley regarding the increased  
lawlessness of emigrant trains, the  
emigrants violating every law with re-  
gard to land and other property and  
appropriating whatever may be useful  
to their stock or themselves, and it is  
proving a case of severe annoyance to  
our homesteaders, who do not feel  
called upon to support either the in-  
coming or departing emigrants and we  
would suggest a little resistance on the  
part of settlers and that they make an  
example of some of the most exasper-  
ating cases.—Arapahoe Pioneer.

For the Illustrated Life  
and Adventures of  
**FRANK AND JESSE JAMES,**  
the noted Western Outlaws, whose career  
of bold and reckless daring for 18 years  
is without parallel in history. For so  
long a period baffling the officers of the  
law and the shrewdest detective force  
in America, with a reward of \$75,000  
for their apprehension, dead or alive,  
and still at large, they are the wonder  
of our civilization. Hon. J. A. Dacus  
of the St. Louis Press, and ex-Member  
of the Missouri Legislature, in two years  
of hard labor procured the facts and  
prepared a book more thrilling than any  
romance, but reliable and authentic in every  
detail. The demand for it is immense.  
Agents sell 200 to 500 in a county.

**THE SABBATH.**  
There will be preaching at the court  
house, in Red Cloud, the first Sunday  
of August, at 3:30 P. M., by Eld. Theo.  
Johnson. Subject—The Sabbath.  
"What day of the week was it?—When  
and to whom was it first given.—Did it  
commemorate, and foreshadow any-  
thing, if so what.—What day should  
Christians keep.—Why do we worship  
on the 1st day of the week?" We cor-  
dially invite the people of Red Cloud  
and vicinity to be present with Bible  
in hand. We should be pleased to  
meet the singers of Red Cloud an hour  
earlier. Singers please come.  
THEO. JOHNSON.  
"A Merciful Man is Merciful to his Beast."  
—OUR  
PETEER.  
Every man who is interested in  
the welfare of his stock and should have  
on hand for ready reference a book  
describing the ailments his stock is sub-  
ject to and the remedies therefor. In  
consideration of this fact we have pro-  
duced for the benefit of our farmer sub-  
scribers a large number of copies of  
"Kendall's Treatise on the Horse," one  
of which we propose to give to every  
horse owner who pays for his paper in  
advance. The book is one of great  
value as it is an index of diseases which  
give the symptoms, cause and the best  
treatment of each. It contains a table  
giving all the principal drugs used for  
the horse with the ordinary dose,  
effects, and antidote when a poison-  
ous horse is affected at different ages of  
the horse; a valuable collection of recipes,  
and much more valuable information.  
Remember we give this valuable  
work to all who pay their subscription  
in advance.
