Cooking a Inraey.

THERE may be some housekeepers who would like to profit by an old housewife's experience in cooking turkers. A nice stuffed turkey is one of the most tempting dishes that can be placed on a dinner-table. It must be served with vegetables and cranberry sauce. Take good sized bird and wash it thoroughly, then soak for two hours in salt and water. Cut off the legs at the joint, and put the joints of the wings under the shoulder joint. Take two quarts of bread, chopped fine, a quarter of a pound of sait pork, a teaspoonful of black pepper, two tablespoonfuls of pulverized sage, and three eggs; mix weil together; if not moist enough to knead into a hard roll, add the experiment proves successful it will water; fill the turkey as full of the dressing as it can be pressed. Take the gizzard and fasten over the dressing by taking a few stitches with a needle and twine; tie the legs firmly together; then rub the entire surface with a thin coating of melted butter; sprinkle flour over it and lay it upon its side in the drippingpan; pour three pints of water into the pan and set it in the oven. A sportsman at Dahlonega Ga, felling in his attempts to shoot a wild turkey, threw down his gun and overtook the bird after a chase of two hundred yards.

[The Lawrenceburg (Ind.) Register.] Our compliments to St. Jacob; we have tried the celebrated St. Jacobs Oil on our rheumatic foot and experience i great relief therefrom. The Saint is a public benefactor.

WHILE the daughter of Alfred M. Page, of Chins, Me., was watching at the bedside of a sick sister, a spotted adder over three feet in length passed over her feet. It was killed by her father in the sitting-room. Answer This.

Did you ever know any person to be ill without inaction of the stomach, liver or kil-neys, or did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Ritters would not cure! Ask your neighbor the same question. - Times.

A California Justice, in a moment of anger, said that the lawye s in a case on trial before him were no better than horse thieves Then he apologized and fined himself ten dollars for contempt of court.

Advantage of Heavy Plates. The soft bituminous coal used in the West is so destructive on all cast-iron that the heavy plates in the CHARTER OAK COOK STOVE will be appreciated by housekeepers as well as dealers. This advantage, with excellent draft, quick and uniform baking, make the CHARTER OAK the most desirable stove in the market.

ago I was troubled more or less with rocumat sm, and have within the last year or so suffered intensely with same disease. I began to take 'Durang's Rheumatic Hemedy,' and am thoroughly satisfied that I have been cured by its use. I do not hesitate to recom-mend it to all sufferers." It is taken internally and never fails to cure the worst case in the shortest time. Sold by all wholesaie and retail druggists. Write

for 40 page vamphlet to R. K. Heiphenstine, Druggist, Washington, D. C. Best Stove We Ever Used. After many years' trial, we are satisfied that the CHARTER OAK is the best Stove we ever used, and cheerfully testify that it is the best adapted to the wants of the general public of any stove in the market.
