- THE BUTCHER. Will Carver was a butcher bold, But would go on a spree. And then, alas! it must be told,
- Onite butcher-full was he It was not most that he should drink, Aithough by ment lived Will; Beef-hitting is all right. I think-
- This did beef-hit him ill. He left his shop-it was not right-And 'stend of selling Steak. And many a rash stake make
- Oh' better far to be at work A-knocking down a steer.
- Than forth to steer and leave his clerk To knock down cash, I fear. In shop, he yearns to be away,
- And weighing sirbin loathes; He'd rather with his contrales stay A sirioin of his clothes. Thus William went from had to worse,
- No cash was in his till: He sold no chops, drink was his curse, Chop-fallen quite was Will.
- Upon Will's flank the landlerd pressed,
- And brisket-inched his store: Will took log bail, with auguished breast, And never was seen more. Nonced a moral here to add,
- To quote some old sage saw: The drinking man's linked with the bad, Like sausage, cooked or raw.

  - Bodon Teanscript.

### A SPEECH BY "MARK TWAIN."

Hotel, Montreal, Can., was attended by are only two conspicuous industries nearly two hundred citizens of all committing burglaries and hobling elecgrades of prominence. How. Lucius tions and I like to keep my hand in, Seth Huntington occupied the chair, so I voted a good deal here. and after the Queen of England and the President of the United States had been French the propriet; will be recognized hour, was received with much applause, may be partly understoon. I speak and when it had subsided he said:

Mr. Chairman and Gentlemen: That a banquet should be given to me in this ostensibly foreign land and in noticed that I have hardly ever been this great city, and that my cars should mistaken for a Frenchman, except pernent surprises to me, and I will not confriendliness, and, even if I have not maid-servant asked what would monreally or sufficiently deserved them, I sieur, I said, "Monsieur So and So is saw him again. assure you that I do not any the less he with himself. [Laughter.] She keenly enjoy and esteem them on that account.

ent business there, and at an unusual season of the year, the judicious thing for him to do is to explain. [Laughter.] This seems peculiarly necessary in my case on account of a series of unfortunate happenings here which followed my arrival, and which I suppose the public have felt compelled to connect with ly explain if I could, but I have nothing fou," and shut the door on me. [Laughthat circumstance. I would most edadfor my defense but my bare word; so I fer. Perhaps she was right, but how simply declare, in all sincerity and with my hand on my heart, that I never heard of that diamond robbery till I saw and I can say with perfect truth that I a few sentiments in the French lannever saw that box of dynamite till the guage. I have not ornamented. Thave police came to inquire if I had any more of it. [Uproarious laughter.] These are mere assertions, I grant you, but they come from the lips of one who was never known to offer an untruth except | plicity. for practice, and who certainly would not so stultify the traditions of an up- Si yous avez be fromage du brave menright life as to utter one now in a this, where there is nothing to be gained pas, ne se desole pas prenez le chapean by it, and he does not need any pracfriend, a Boston publisher, but alas! vous dit, pate de fois gras, revenous a tice. I brought with me to this city a even this does not sufficiently explain donnez moi, essayant a parter la belle these sinister mysteries. If I had brought a Toronto publisher along the case would have been different. But no. possibly not. The burglar took the diamond studs, but left the shirt. Only a [Loud laughter.] reformed Toronto publisher would have The Great Vice of New England.

left the shirt. [Loud cheers and laughnot come to Canada to commit crime Maine every year.
