pleasure.

Guard your property against prairie  
fires.  
Andy Clute has engaged to work on  
the Opposition Weekly.  
The soldier's reunion will commence  
at Hastings Sept. 3rd 1883.  
Several parties were in town to pro-  
pose on their land, last Saturday.  
A prairie fire raged northwest of  
town last Tuesday and Wednesday.

demand is not so great as it was last  
week.  
Dr. Weber has decided that he will  
not engage in the drug business in Red  
Cloud.

For tremulousness, wakefulness, dis-

ber of the school board assures us that  
he is regular.

do well to call at the CHIEF office, as

Now is the time to work up an inter-  
est in county fair matters. We hope  
the farmers and others will take hold  
of the matter and resurrect the old ag-  
ricultural society that has laid dor-  
mant so long.  
The Presbyterian Ladies will give a  
festival at the Mission Chapel south  
of Jackson's grove, Tuesday evening

boys who murdered Jack Woods, at  
Minden last fall, and who was sen-  
tenced to be hanged, has applied to

tence to imprisonment for life.  
Webster county receives fifteen hun-  
dred dollars per year for saloon licen-  
ses. How much it costs the county  
business of vast importance will be in  
order, and it is hoped that many al-  
liance members will be present. We  
mean business.

Secretary.

**Look Here.**  
If you want fruit or forest trees call  
at the new grocery store in Putnam's  
old stand. He means business.  
**Brick! Brick!!**  
We wish to say to the citizens of Red  
Cloud and vicinity that we have on  
hand a few thousand brick for sale,  
and expect soon to commence making  
on a larger scale, and hope to meet the  
demands of all parties with a good  
quality of brick. Yard north of Red  
Cloud, about one mile. Respectfully,  
W. H. LUTLOW & SONS.

The assertion of the white-livered li-  
ar at the lower end of town that he  
had it in his power at one time to close  
the CHIEF office by virtue of a mort-  
gage, is a falsehood worthy of the  
source from which it emanated. It is  
true that he sneakily purchased a  
mortgage of a few hundred dollars given  
by Mr. Lutz, and it is also true that the  
second day after he came in posses-  
sion of it he furnished Mr. Lutz the  
money and he paid it off. The lien on  
the office, if there was any lien, could  
only be on the interest owned by Mr.  
Lutz, and not on the half owned by us,  
and as we had possession it would sim-  
ply have been an impossibility for him  
to close it up or even interfere with the  
issuing of a single number of the pa-  
per. So much for the lying insinua-  
tion of a contemptible liar.

The mild weather of the past few  
days reminds us that spring will soon  
be here, and that we need a few trees  
and plants. Instead of ordering of  
some travelling agent we have decided  
to give our order direct to the well es-  
tablished Crete Nurseries, and feel sure  
that we will be better served than by  
through some unknown agent. The  
nearest large nursery in Nebraska is  
located at Crete, their grounds com-  
prising three hundred and ninety  
acres, of which sixty-six acres are in  
orchards and small fruits, and one  
hundred devoted to growing trees and  
plants, selected with special refer-  
ence to the wants of the home trade  
and adaptability to the climate. Located  
as it is on the line of road, stock will  
reach purchasers in a few hours, thus  
avoiding delays and exposure of trees  
purchased by distant growers.  
We hope to see this establishment  
well patronized this spring. Send pos-  
tal card for catalogues and price list.

At a special meeting of Garfield Post  
number eighty G. A. R. the following  
resolutions were unanimously adopted.  
**Whereas—**It has pleased the Supreme  
commander of the universe to sum-  
mons our late comrade, W. W. Harvey  
to that rendezvous to which all must  
go, and  
**Whereas—**His untimely record of a  
soldier's life proves him a worthy and  
honored member of Garfield Post No.  
80, therefore be it  
**Resolved—**While we deeply deplore  
his early departure from our ranks to  
answer to that great roll call of him  
who does all things well, we submis-  
sively bow to the divine command.  
**Resolved—**That we hereby extend our  
heartfelt sympathy to the bereaved  
family and relatives who have so sud-  
denly been called to mourn for a  
loved one.  
**Resolved—**That these resolutions be  
spread upon the records of this post,  
and a copy be sent to the family of our  
late comrade, and that they be pub-  
lished in the Webster Co. Argus and  
Red Cloud CHIEF.
