At places the cyclone was accompanied with torrents of rain, which greatly increased the work of destruction. In several instances heavy beams striking the walls were driven entirely through houses...

Relief parties from Carthage, Joplin and other near points reached the scene early in the evening and did all in their power to alleviate the sufferings of the dying and wounded.

Many of the houses destroyed were those of inmates in poor circumstances. Provisions and clothing are being sent there from Carthage, and medical men and nurses have taken charge of the wounded.

From Ononoga the storm seemed to be lifted up in the air, and changing its course to the east, moved rapidly for several miles, descending in Spring River bottoms, and destroying the farm house of one Clark...

A MURKY DARKNESS overshadowed the whole sky. There was an unusual amount of lightning. News of the disaster first received at headquarters of the St. Louis & San Francisco roads in North Springfield...

Scattered everywhere through the country, the mangled forms of the many injured lie in the midst of the wreck. Three persons are known to have been killed in town, and others in the country near there...

As a rule we do not recommend patent medicines, but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all...
