...the republican electors of the eighth... District of Nebraska are invited... to send delegates from the several... counties to meet in convention at Oxford, Furnas county, Tuesday, August 19, 1884, at 11 o'clock a. m., for the purpose of placing in nomination a candidate for district attorney of said district, and transacting such other business as may properly come before said convention. The several counties are entitled to representation as follows: Dundy... Hitchcock... Chase... Kearney... Franklin... Fillmore... Frontier... Red Willow... Furnas... Webster... Hayes... Harlan... It is recommended no proxies be admitted to the convention except such as are held by residents of the counties from which proxies are given. EDWIN C. HAWLEY, chairman. J. BYRON JENNINGS, secretary.

Bayard Taylor said of Nebraska: "The country is one of the most beautiful I ever looked upon. I am more than ever struck with the great difference between this region and that to the east of the Mississippi. There is none of the wearisome monotony of the prairie as in Illinois, or swampy tracts as in Indiana or Ohio. The wide billowy ground dotted all over with golden islands of wheat—the hollows dark glistening maize—the park like clumps of timber along the course of streams—these were the materials which went to the making up of every landscape, and of which, in the sweet, harmonious, pastoral beauty, the eye never grows weary."

It is reasonable to go through life with "snags" in the mouth, making the mouth foul and affecting the stomach. All kinds of artificial teeth made at Dr. Jones's dental rooms, over Slater's drug store. The Keystone of Health. How can you expect to feel well, or even enjoy life when you are about with a hacking cough? The fog in his wisdom says there is no cure for you, but wise man lies him to A. Lindley's drug store, and gets a bottle of Dr. Jones's Positiv cure, and at once gets well. A trial bottle costs nothing. Joy, Joy to the World. If you meet a man who looks as if he had lost all his friends, had his house burned down, and business destroyed, just make up your mind that he has either despaired or his liver is out of order. The best thing you can do for such a woebegone individual is to advise him to go to A. Lindley's drug store and get a bottle of Dr. Jones's Red Clover Tonic, which will cure him without fail. Also an infallible remedy for pimples and blotches on the face. Only fifty cents a bottle. Excited Thousands. All over the land are going into ecstacy over Dr. King's new discovery for consumption. Their unlooked recovery by the timely use of this great life saving remedy causes them to go nearly wild in its praise. It is guaranteed to positively cure severe coughs, colds, asthma, hay fever, bronchitis, hoarseness, loss of voice, or any affection of the throat and lungs. Trial bottles free at Henry Cook's drug store. Large size \$1.00. Food.—Some one who is not a French cook, but doubtless knows something about the art, says that baking powder should be made from cream tartar and soda only. DeLand and Co., who are large manufacturers of saleratus and soda, began the manufacture of their chemical baking powder some time ago on above principles and our merchants are now offering it to an appreciative public. Sold in cans only. Don't Spill the Milk. "There is no use crying over spilled milk," says the old saw. If you are not only bald, but have no life in the roots of your hair, there is no use crying over that, either. Take both time and yourself for the forelock while there is a cent in the pot. Apply Parker's hair balsam to your hair before matters get worse. It will arrest the falling off of your hair and restore its original color, gloss and softness. It is a perfect dressing, vital, clean, richly perfumed, cools and heals the scalp. A Blessing to all Mankind. In these times when our newspapers are flooded with patent medicine advertisements, it is gratifying to know what to procure that will certainly cure you. If you are bilious, blood out of order, liver inactive, or generally debilitated, there is nothing in the world that will cure you so quickly as electric bitters. They are a blessing to all mankind, and can be had for only fifty cents a bottle, of Henry Cook.
