your question here might not be liked...
by Mr. ———. However, let it go." I...
mailed the letter. We heard nothing...

more about it a month. Then there...
came a letter from the man...
"My account is wrong," he wrote.

"Maybe he has some account...
for me," he said. "I have...
overpaid some one. But thank God, I...

have made it up. I mortgaged my...
house and passed the amount...
over to the bank. I must have...

made a blunder somewhere. But...
the strain on my mind has been...

I do not mean from you in ten days...
I will disclose the whole matter, and you...
will be dishonored. His letter came...

back promptly enough. He...
take the \$500. It wasn't very much...
The bank was ever so rich. Corporations...

the bank President, who thought it was...
better to close with the man. Would...

it be believed that the wretch and his...

the least compunctions of conscience...
He came to the office of an evening...
and I do not hesitate in saying that in...

his hip pocket there was a revolver...
I handed the letter to my secretary...
and he took it to the man. He had...

received less the traveling expenses...
and the \$500 made up this balance. When...
the money had been transferred by me...

to the safe I gave him a...

BLAINE'S ORIFLAMME.
Aim—For wearing of the Green.
What's the meaning of this...
The meaning of this is, that the...

fartherance of selfish English...
This is aggressiveness, this is...
welcome to make the most of it; but...

the people of this country will...
never fail to look with satisfaction...
on any policy that will preserve for...

the influence and prestige which...
have been at so much pains to acquire...
The trouble with the English...

is that they do not properly...
distinguish between aggressiveness...
and moderation; but, considering...

the symposium, proceeding mentally...
to condemn them without the...
meaning of either. A moderate...

man is one who interferes where...
he has no business; an aggressive...
man is one who boldly asserts his...

rights and maintains them by...
legitimate means that may be...
necessary. To be in favor of...

advancing the interests of the...
United States by any proper means...
in any legitimate way; to endeavor...

to prevent the products of cheap...
competition and labor from coming...
into competition in our home...

markets, to make every effort to...
protect American citizens from...
imposition where business or...

pleasure may be involved, is proper...
aggressiveness, and any man or...
people will support any man or...

party that practices it.
On the other hand, were an...
Administration to interfere in matters...

which do not touch the political...
interests of this country, were it...
to attempt to dictate to England...

the policy of her foreign relations...
or to interfere with her internal...
affairs, it would be to invite...

rebellion in India or with...
merchants in Australia, were it to...
advise France with regard to...

Tonquin, or Germany as to...
what should be done on the...
Congo—this would be a piece of...

meddling, a piece of...
interference, and a piece of...
impertinence, and any man or...

people will support any man or...
party that practices it.
There is no machine.

Harper's Weekly and the Boston...
snobs give as the one reason for...
bolting Blaine that he is not the...

representative of their ideas of...
civil-service reform. For years they...
have been particularly...

emphatic in demanding the...
resignation of the office-holder...
"the machine," insisting that...

moderation be made by the...
people, and free from the...
burial influence of men in...

refusing to allow the State...
Department to be used as a...

vance made in Temperance...
that on board the Allan's...
torian, commanded by Captain James...

It appears that while on the...
voyage from Glasgow to Quebec the...
company others came together...

and formed an association with...
the following as its chief plank in...
constitution: "The undersigned, forming...

a society on board the Allan...
line steamer, Nestorian, commanded...
by Captain James, this 28th day of...

April, while on a voyage from...
Glasgow to Quebec, in latitude...
forty-five degrees north, longitude...

100 degrees west, do hereby...
agree to abstain from all...
intoxicating liquor as a beverage...

and pledge ourselves to...
discontinuance its use in the...
community." "Hurray for the...

Nestorian Temperance Society!"...
is the shout that will go up from...
the Temperance hearts who read this...

and Captain James will be...
congratulated on all sides that...
he carries on board a...

Temperance association. A cold...

Two Whisky Tragedies.
TRAGEDY OF A BEAUFORT.
Charles Letist, aged sixty, Baltimore...

had been on a drunken spree...
steadily for several days, and...
became raving mad from its effects...

He constantly cursed and...
threatened his wife and child...
After a night of terror Mrs...

applied for a warrant for her...
husband's arrest. The warrant...
was granted by an officer, then...

returned to her home. The...
husband was still raving, but...
when Officer Brisco presented...

the warrant he asked the officer...
to wait a few minutes while he...
went upstairs and changed his...

clothing. The officer granted...
his request and remained...
several minutes, when, suspecting...

that his desire to change his...
clothing might be a ruse to...
elude arrest, he started...

upstairs to watch him. Upon...
reaching the topmost flight he...
saw the man lying on the floor...

with a horrible gasp. He...
saw a razor and a razor with...
which the dead had been done...

lying by his side covered...
with blood. The wound was...
bleeding freely and the eyes of...

the man looked wild and...
staring. Still drunk to realize his...
danger, and crying out in...
