

# THE RED CLOUD CHIEF

FRIDAY, OCT. 31, 1884.

A. C. HOSMER - Proprietor

## Special Notice.

October 25, 1884, the people of the states of Nebraska and Kansas are cordially invited to attend a grand opening, three doors south of Sherrill's drug store in Red Cloud, Neb., where you will then see on sale the finest and largest stock of goods of all kinds kept in a first-class jewelry store, to be found in Southern Nebraska. You don't need to buy unless you wish, but come and see the display of the beauties. Until the 21st I will be found at my old stand; then until the 25th will be on wheels—until the opening, when I will be pleased to see every man, woman, or child who likes to see good goods sold within the reach of the poorest. Remember, everything warranted as represented. I have the exclusive control of the white crystal-lens spectacles—the best article ever placed upon any market, from \$1.50 to \$2.50 per pair. Also a cheaper grade to fit every eye, at 25 cents each. Giggles 15c. Solid gold rings, lace pins, sets, bracelets, collar buttons, sleeve buttons, ear rings, chains, watches of all grades and prices, lockets, bangles, neck chains, etc., cheaper than anybody. Quadruple plated ware to astonish the world in beauty of design and quality, and so cheap that everyone can hereafter set their tables with silver. Don't take my word, but come and see for yourself. It is a pleasure to show the goods whether you purchase or not.

O. H. MARYATT.

## Fraudulent Tickets.

Nebraska republicans everywhere must make it their special duty to see that FRAUDULENT TICKETS are not voted at the polls on Tuesday next. Democratic and other anti-republican managers have been concocting a variety of schemes for the purpose of cheating republicans of this state out of the result of their political convictions. Let every so-called republican ticket be examined with the utmost care. Examine the Electoral ticket. Examine the Congressional ticket. Examine the State ticket.

### To The Farmers

We will give THE CHIEF FREE FOR ONE YEAR to the party who will bring this office the FINEST DISPLAY OF COPIES, not less than six ears, between now and December 1. The merit of the corn to be decided upon by three disinterested parties. Come right along.

It has been suggested that efforts be made at once to organize a volunteer fire company. This is certainly a good scheme and should be put into execution. Red Cloud needs one very much. Let our business men take hold of this matter. It would not be a bad idea to have it come before the business men's association. It is certainly an important subject.
