tired waiting for fortune. "Rents were" low in New England then," and they" married. His mother's attitude toward his wife proved an agreeable surprise. She told him that she had known of his engagement almost as long as he had known it himself, and that Sophia Peabody was just the wife she would have chosen for him. And how did he make love for himself, this teller of the lovemaking of imaginary men and maids? He rejoices because a pettish cousin has un angry political dispute with him which will separate them for a time and leave Nathaniel more hours to think of her. For "peace overflows from your heart to mine." He cautions her against walking with his robust sister Elizaboth because "she is indefatigable and wants to walk half round the world when once out doors." He assures her that although he loves her deeply he is to awe of her. "I suppose I should have pretty much the same feeling if an angel were to come from Heaven and be my dearest friend-only the angel could not have the tenderest of human natures, too, the sense of which is mingled with this sentiment." He can
