**LINCOLN Medical Institute and Water Cure.**

**SWEDISH MOVEMENT CURE.**  
ELECTRICITY, MASSAGE, BATHS.

THE LINCOLN MEDICAL INSTITUTE AND WATER CURE is owned, controlled, and managed by a company of physicians and surgeons who have had years of experience as specialists in their respective departments. The building is one block from the station and on street car line. From its lower end is seen all the city, including the water works, the entire city of Lincoln and surrounding country. It is the largest, most thoroughly equipped, and conveniently arranged building in the West for the treatment of disease. It contains fifty-six rooms for the accommodation of patients, besides parlors, offices, reading room, and laboratory. Everything to make the treatment of disease during treatment has been provided—dentist, optician, massage, gymnastics, and bathing. For the management of chronic cases which have long resisted the ordinary course of treatment, new and improved methods have been adopted. There are thousands of persons who have taken in gallons of drugs and patent medicines without benefit, and at times with injury. For such cases the best results are obtained by MASSAGE, PLACID FACILITY, MICHIGAN, AND MEDITATED BATHS, and the SWEDISH MOVEMENT CURE, the best of which is the water working cure which has been so gradually evolved by experiment, both in Europe and America. A special department has been provided, and patients will find time a luxury where medicine is not needed, and in many cases, both to physicians and patients. Will have to give and give rooms a patient may enjoy either—exclusion of society, all under the supervision of a nurse who knows how to converse as well as to assist the suffering. In the treatment of SPINAL CURVATURE AND DEFORMITY OF THE FEET AND LIMBS, our I believe offers special advantages. Diseases of the EAR, EAR, THROAT, AND NASAL CAVITIES are under the care of a specialist of vast experience, and CATARRH, that terrible disease, is treated and permanently cured by a new method. TUBERCULOSIS and permanently cured, and in the correspondence in this institution.  
Lincoln is noted for its MINERAL WATERS and healthful climate. In case of access from all points and will cost you nothing to visit our Institute and learn its workings. Careless and reading matter on special diseases sent free on application. Medicine sent to all parts of the country, after examination or receipt by letter, when it can be done satisfactorily. Members of the said will, in special cases, visit patients at their homes out of the city.
