CURRENT COMMENT.

THE death rate in London for the week ended September 26 was only 13.8 per 1,000 annually. This figure is the lowest every recorded.

THE plumbers of New York City relabor from ten to nine, with no reduction of wages.

A MOVEMENT was reported on foot, with fair proepects of success, to procure a pardon for the Younger broth-Stillwater (Minn.) penitentiary for participating in the Northfield murder and bank robbery several years ago.

ATTORNEY GENERAL O'BRIEN, of New York, has just issued his decision resting upon him. The decision is greatly in the Georgia repudiated bond case, and decided that the State of Georgia is in default, and that the savings banks of New York are prohibited by by the State of Georgia.

A special from Laredo, Tex., says a rumor was current there that the section men on the Mexican Central Railway, between Laredo and Saltillo, had struck on account of their wages being lic. General Logan delivered the address. reduced from seventy-five to fifty cents per day. Much curiosity was manifested as to how the Mexicans would conduct the strike.

A RECENT dispatch from Berlin says: It is understood in diplomatic circles there that Austria is secretly supporting Servia. According to advices from Philippopolis, the report that Russia wishes to dethrone Prince Alexander has greatly angered the Roumelians. The Prince, it is said, was never so popular as he is now.

GUISEPPE LOMBARDI, formerly 8 lodging house keeper in Milwaukee, was committed to an insane asylum at New York recently. He had converted his possessions into a draft for twentytwo thousand five hundred francs, which he was about swallowing under the Nation, and is terribly downcast be- the diocese of New York declined to adopt A LARGE number of Indians took in the the impression that he was beset by cause of the crim s of his son and nephew. the amendment of the prayer book pro- Knox County fair whi e in progress. thieves, when arrested.

THE question of the admission of half-breed Chinese children to the public schools in Little Rock, Ark., was decided recently. A number of the half-breeds, with Mongolian fathers and Caucasian mothers, had applied for admission. The Superintendent declined to decide whether they could enter at the white or colored schools. The Board was in favor of admitting them to the white schools, thus settling the vexed question.

THE Chief of the Bureau of Statistics reports that the total value of the imports of merchandise during the twelve months ended August 31, 1885, were \$571,235,943, and during the twelve months ended August 31, 1884, \$657,-871,316, a decrease of \$86,635,373. The values of the exports of merchandise during the twelve months ended but are said to be largely in excess of the Department. August 31, 1885, were \$722,765,461, and during the preceding twelve months, \$735,018,792, a decrease of \$15,253,331.
