LINCOLN Medical Institute and Water Cure.
SWEDISH MOVEMENT CURE.
ELECTRICITY, MASSAGE, BATHS.

THE LINCOLN MEDICAL INSTITUTE AND WATER CURE is owned, controlled and managed by a company of physicians and surgeons who have had years of experience as specialists in their respective specialties. The building is one of the finest and most complete in the West. From its tower can be seen all the state institutions, public grounds, the entire city of Lincoln and surrounding country. It is the largest, most completely equipped and most modern arranged building in the West for the treatment of disease. It contains fifty-six rooms for the accommodation of patients, besides parlors, offices, reading room, and laboratory. Everything to make the patient and his family comfortable is here provided. Food and drink are prepared by trained attendants and all the latest and most improved methods of treatment are used. For each case the best results are obtained by the use of the SWEDISH, ELECTRICITY, MASSAGE, and MEDICATED BATHS, and the SWEDISH MOVEMENT CURE, the best of which is the Swedish water cure which has been so gratefully received by patients both in Europe and America. In the treatment of chronic diseases a special department has been provided, and patients will find here a home where treatment is conducted with care, both to the patient and to the family. With water cures, and the Swedish movement cure either selection or water, all under the supervision of a doctor who knows how to administer it will be to the advantage of the patient. In the treatment of SPINAL CURVATURE AND DEFORMITY OF THE FEET AND LIMBS, our Institute offers special advantages. Diseases of the EYE, EAR, THROAT, AND NASAL CAVITIES are under the care of a specialist of years of experience and CATARRH that terrible disease, is treated and permanently cured by an entirely new method. HERNIA radically cured by a new operation, without pain or danger. PILES effectively and permanently cured, and invite correspondence in this particular.

It is not to be feared for the KIDNEYS, STOMACH and intestinal system. It is easy of access from all points and will cost you nothing to visit our Institute and learn its workings. Diseases and reading matter on general diseases sent free on application. Medicine sent to all parts of the country after examination of certificate by letter, where it can be done satisfactorily. Success of the cure will, in special cases, visit patients at their homes out of the city.

Wanted to be Sure.

"Do you mean to say I'm a liar?" said a tall man leaning up to a sawed-off specimen about as long as a leg of mutton.

"That's just what I mean," replied the little fellow, standing square on his legs, and not flinching to any appreciable extent.

"Well, that's all right," continued the tall man, not advancing from his original position. "But all right." I just wanted to be sure whether you meant it or not. For instance, there are many now-a-days that reach for the same when to believe. Let's have something to drink." — Forwarder, Chicago.
