'll tell you what, boys," said Fred chief, "let's get up a good one on b-nosed Billy.' Won't he just e with rage!" and the three boys it off arm in arm in a way that meant ·hief.

illy Townsend, or, as he was genv called, "Snub-nosed Billy," was rlorn-looking boy, about twelve s old, with freckled face, red hair certainly the very "snubbiest" nose

you to sneak up behind him when he could not see you and strike my Kind of Food Required by Growing him, and it would not have hurt him half so much. Did you think poor Billy had so few troubles you would make call. This ease, however, often leads some for his benefit? Is it nothing." she to reglect, and the young animal is went on, speaking more warmly, "that, left to rear itself and do the best it can he is poor and neglected, with a misers upon the refuse of the horse stable. able father. and often hardly enough The is contrary to common sense and

cruel thing it is to add one moto trouble, when he has so many, and are sorry already. I do not ask which of you g is making growth and requires you did it, but I do ask that every one only food enough to support life of you boys and girls will try and also to furnish matter where with prove to poor Billy that he is not without friends, and make his hard life to good deal in breed, but more in the easier to bear."

There was a moment's pause, the one hand after another was held i with the promise of sympathy and help: and then Fred said earnestly: " Miss Sloan, it was I who sent valentine."

" I helped!" "And I!" interrupted Harry and Charley.

"It was I who suggested it first, but I am heartily ashamed of myself, and will tell Billy so to-morrow."

"Right, Fred," answered Mis Sloan, looking so pleased he felt repaid for the hard contession. "I knew none of you would wilfully do anything so unkind, and he does need all the comfort we can give him, poor little fellow!"-His Jewels.

SUNSHINY.

How Willie Was Taught the Difference Between a Cheerful and Joyous and a Tearful and Fretfal Behavior.

Willie was one of the dearest little boys when he was happy, and was loved devotedly by his papa, mamma and two aunts who lived in the family. The house in which they all lived was in the country, and had windows on all sides. Willie played out-of-doors every pleasant day and was not happy when

the weather prevented his being out-of-
