

GENERAL FISK ACCEPTS.

After acceptance of the Prohibition Notice for President.

CHICAGO, Aug. 6.—The letters of acceptance of the National Prohibition party candidates for President and Vice-President are made public this afternoon.

General Clinton B. Fisk, candidate for President, is dated at Seabright, N. J., July 25. The opening paragraph expresses grateful sense of the honor conferred upon him by the Indianapolis convention and formally accepts the nomination.

What law creates, law alone can kill. The creature of law, the saloon, the liquor traffic, can die only at the hands of the law's executor.

It is not enough that we reform the individual; we must reform the State. The policy of great commonwealths of a whole people, made and put in harmony with economic principles, the true cooperation of industrial effort, the essential conditions of a National prosperity and genuine brotherhood of man.

A reform so vast as this we advocate, involving such radical changes in State and National policy, is utterly dependent for its agitation and consummation upon some party, agent or force.

The first concern of good government, said the recent Republican National convention at Chicago is the virtue and sobriety of the people and the purity of the home.

Two of the Labor Parties Pool Their Issues. CINCINNATI, Aug. 6.—Mr. J. W. Goshorn, of Charleston, W. Va., the chairman of the executive committee of the National Union Labor party, called on the correspondent of the Associated Press last night to state that at a meeting of the Union and United Labor parties held in this city in the afternoon, at which 100 of the leading spirits of both parties were present, a resolution was adopted and signed by all present whereby the United Labor party of the United States is consolidated with the National Union Labor party.
