EDITOR CHIEF:—In these curious days one needs to be clear, lucid, definite, dotting the i's, crossing the t's, and minding his p's and q's. Bold head lines, tail lines, and intermediate lines, too, should be used to guide the wayward citizen. Some, in our local fog, "see men, as trees, walking, others "as through a glass darkly," and others still, wear goggles of every possible shade of color and degree of transparency. Why, at this rate we shall soon know, neither our political and social parent, nor children, nor brethren. Mr. Editor, you so attached my communication of yesterday, on "submission," to your animal with a McKeeby head and the body of the "Big S" that some of your readers, though "al-bright" didn't know where the "submission" tail began, and thought I was a sort of step-father of the whole outfit. True you was quite explicit in the remark, "read what Mr. Butler says, which we hereto annex," but in these troublous times, when, not all, are "al-bright" you must be even more "explicit."

P. S. You say "Mr. Butler has a keen memory, etc." Please let me tell my own story about "clean government," both the late one and the present one, when I get ready. It's too hot now. M. C. BUTLER.

When traveling north, east, south or west, make yourself comfortable by patronizing a strictly first class line. The Chicago, Kansas & Nebraska Railway, "Rock Island Route"

This thoroughfare is the people's favorite, because it is reliable, safe and pleasant and with its limited flyer to Chicago, and connection with all the fast trains to St. Louis make it universally popular, and the route which all well posted travelers take.

Its passenger trains were built expressly for this line by the Pullman Palace Car Co., which is a guarantee that they are as perfect and complete in every detail as the best taste and most thorough experience can suggest, and no convenience for the comfort and service of the traveling public has been overlooked. In addition to its regular passenger equipment, there is in service a line of superb reclining chair cars; no pains or expense having been spared to make these cars the most restful and comfort-assuring vehicles of their class in America. Holders of first class tickets can occupy seats in these cars free. A colored porter accompanies each car to administer to the wants of the patrons, which makes them especially desirable for ladies and children traveling without escort. In fact, the C. K. & N. is the Great Free Reclining Chair Car Line west of the Missouri river. When you travel, to be absolutely comfortable, take the Chicago Kansas & Nebraska Railway, "Rock Island Route." Pullman's Palace Sleeping Cars on all night trains.

JUDSON.

Judson, Kan., Aug. 16th.—[Special correspondence to the CHIEF.]—Our corn crop is past redemption, for we have not had a rain to wet the ground since the 2nd of July and our farmers have got discouraged. Losing their crops last year and the same luck this year is very discouraging.

Bro. Williamson, Union Baptist Minister, of Nuckolls county, Nebraska, has been holding a week's meeting at Orio with grand success. He had five candidates for baptism. They were baptized on Mr. J. Cox's farm on White Rock. There was quite a good turn out. SID.

Harvest Excursion.

The management of the B. & M. R.R., through general passenger and ticket agent J. Francis, have arranged for a number of Harvest Excursions this fall. A rate of one fare for the round trip from all points in the east to any point in Nebraska, will be made. Many who are now living in the crowded states and cities of the east will take advantage of the cheap rates and find homes in Nebraska.

The Ladies Society of the Congregational church will give a garden party at the residence of J. L. Kaley on Friday evening. Ice cream and cake will be served. Games and amusements of different kinds. A cordial invitation is extended to all.

Notice is hereby given that I will examine all persons who may desire to offer themselves as candidates for teachers of the public schools of this county, at Red Cloud, on the third Saturday of each month. EVA J. KING, County Sup't.

W. N. Richardson, of Red Cloud, has thought better of his intention to remove to Omaha and will remain in Webster county.—Times-Winner.

Mr. Ward is a novice in the printing business. Yet he presumes too much for inserting his bill into republican political matters. He asserts that THE CHIEF has been attempting to draw him into matters which is of no concern to him, all of which is a direct perversion as he well knows. What we have said in regard to Mr. Hoover's announcement in the Helmet is absolutely true. We have not denied Mr. Hoover the privilege to announce in whatsoever paper he pleases, but we do state that it was impolitic for him to announce through a democratic medium to the exclusion of republican papers, if he wished the support of republicans. That's all. THE CHIEF fights for what it thinks is right, and has no sympathy for a man who perches himself upon his office chair humped up like a toad and is afraid to say his own's his own. As to his assertion that "the Helmet is a clean high-minded paper", we are of the opinion that the old proverb that "self praise is half scandal" can be fittingly applied to his assertion. If Mr. Hoover can stand the support of the Helmet we certainly have no objection, but we shall still have our opinion on the subject.

Notice to Water Consumers.

Consumers of city water will take notice that on and after this date, that any or all persons discovered violating the water ordinance will be shut off promptly. Act accordingly, and don't forget it.

Water Commissioner.

Republican County Convention.

The republican electors of Webster county, Nebraska, are requested to send delegates from their several precincts to meet in convention at the court house in the city of Red Cloud, Saturday, August 18th, 1888, at 11 o'clock a. m., for the purpose of nominating candidates for the following offices: One representative, one county attorney, also to select nine delegates to the senatorial convention, nine delegates to the state representative convention, and nine delegates to the state convention and for the transaction of such other business as may come before the convention.

The ratio of representation is one delegate at large from each precinct and one delegate for every 15 votes or major fraction thereof cast for Hon. Samuel Maxwell in 1887, which will entitle the various precincts to the following number of delegates:

Not A California Bear.

Anybody can catch a cold this kind of weather. The trouble is to let go, like the man who caught the bear. We advise our readers to purchase of Henry Cook a bottle of Santa Abie, the California King of Consumption, Asthma, Bronchitis Coughs and Croup Cures, and keep it handy. 'Tis pleasing to the taste and death to the above complaints. Sold at \$1.00 a bottle or 3 for \$2.50. California Cat-B-Cure gives immediate relief. The Cattarhal virus is soon displaced by its healing and penetrating nature. Give it a trial. Six months treatment \$1.00 by mail \$1.10.

A Through Sleeper to Chicago.

Every afternoon at 3:55 o'clock, upon arrival of trains from the west, a magnificent Pullman Sleeping Car leaves Topeka for Chicago via the Great Rock Island Route, making close connection with the famous "limited flyer" running through without change, arriving at Chicago the following morning. This is certainly the quickest and most convenient means of transportation between points in Kansas and the city of Chicago. For accommodations in this car, please notify your local agent, and he will be glad to make such reservations as you may require by telegraph.
