When traveling north, east, south or west, make yourself comfortable by patronizing a strictly first class line, The Chicago, Kansas & Nebraska Railway, "Rock Island Route"

This thoroughfare is the people's favorite, because it is reliable, safe and pleasant and with its limited flyer to Chicago, and connection with all the fast trains to St. Louis make it universally popular, and the route which all well posted travelers take.

Its passenger trains were built expressly for this line by the Pullman Palace Car Co., which is a guarantee that they are as perfect and complete in every detail as the best taste and most thorough experience can suggest, and no convenience for the comfort and service of the traveling public has been overlooked. In addition to its regular passenger equipment, there is in service a line of superb reclining chair cars; no pains or expense having been spared to make these cars the most restful and comfort-assuring vehicles of their class in America. Holders of first class tickets can occupy seats in these cars free. A colored porter accompanies each car to administer to the wants of the patrons, which makes them especially desirable for ladies and children traveling without escort. In fact, the C. K. & N. is the Great Free Reclining Chair Car Line west of the Missouri river. When you travel, to be absolutely comfortable, take the Chicago Kansas & Nebraska Railway, "Rock Island Route." Pullman's Palace Sleeping Cars on all night trains.
