ORDINANCE OF 1787.

The Important Document Which is a Con-stant Subject of Interest.

The most serious question brought from tip to tip was lately shot near sefore the Continental Congress after Julien, San Diego County, Cal., as it the close of the revelution-second to was sailing away with a full-grown the ever insoluble one of how the public sheep in its claws.

-Collars and cuffs for women are debt was to be paid-was that concerning the disposition of the vast extent of now made of steel lace, as fine as cobuncocupied lands at the West. The web, and in any color. They withcharters of the large States on the stand the warmest weather and are Atlantic coast extended their territory winning favor rapidly. -A pipe smoked by General Jackson

westward to the "South Sea," and over while he was President, was recently this they claimed to exercise full jurisdiction. In 1780 New York offered presented to the New England Histo cede part of its Western territory torical Society. It is still strong. Virfor the formation of new States and a ginia plug was Old Hickory's favorite few years later Virginia made a similar brand.

concession. In 1784 an ordinance for -A citizen of Burlington, N. J., was the temporary government of the bitten on the leg by a dog eight years Northwest Territory was passed by ago, and every year since, on the aninversary of the bite, it is said, the in-jured member has swelled to twice its natural size. —There is a catawba tree in the ront vard of a house in Carrille Co. Congress. This ordinance was drawn niversary of the bite, it is said, the inup by a committee of which jured member has swelled to twice its Thomas Jefferson was chairman, natural size.

and is known to be mainly the work of the fruitful brain that defront vard of a house in Camilla, Ga., vised the Declaration of Independence. which bears three crops of leaves It recomended that all the Western every year, and, strange to say, each territory ceded or to be ceded be crop is destroyed by what is called the Chronic diseases treated by mail formed into nine States, each extend- catawba worm.

Ing over two degrees of latitude, the -Soft shell crabs are always cheaper said States to be named: Chersonesus, Sylvania, Assenisipia, Metropotamia, Polypotamia, Pellisipia, Saratoga, Washington, Michigania and Illinoia. It further provided that after the year '1800, slavery should be prohibited in

all these States. The anti-slavery clause was lost, and some other change were made in the act before it was finally adopted. It was not however, wholly satisfactory, and further legislation was attempted. In 1787 Nathan Dane, as chairman of a second

committee on the Territories, reported an ordinance, which was adopted. This provided for the organization of

tor entire religious freedom; the sec ond secured to all the inhabitant trial by jury; the writ of habeas cor-pus, and the political rights and privi-leges enumerated in the "Bill of Rights," the third provided for the en-couragement of schools, and for good indinas; and the sixth provided that "there shall be neither slavery north tory, otherwise than in the pushing ment of crimes whereof the party shall have been duly convicted." The op-position that had previously over-thrown this anti-slavery provision was "Trovided always that placated by the following stipulation: penny! The good Samaritan went to "Provided always that any person os--Farmers at work in the fields near caping into the same frem whom Long Fork, five miles from Mount labor or service is lawfully claimed in any one of the original States, such attention attracted by the tinkling of fugitive may be lawfully reclaimed and conveyed to the person claiming his American eagle flying overhead. By means of a glass the bell could be seen. No attempt was made to kill the bird. 'or her labor or service aforesaid." This was the original slave law, and its No attempt was made to kill the bird, passage represents the concession which disappeared to the northward. made by the anti-slavery men to secure the consent of their opponents to postmaster inquiring about a dethe ordinance of 1787. Another important clause of the ordinance was linquent subscriber. The letter came one providing "that the navigable back indersed, "The man is dead." waters leading into the Mississippi Some time afterward, in overhauling a and St. Lawrence, and the carrying list of delinquents, an inquiry was inadverdently sent to the same postplaces between the same, should be common highways free to the citizens master about the same man. The reply came back: "Still dead."-Ezof the United States." The authorship of this important ordinance has change.
