FARM LOANS.
I have the agency for ten different loan companies, and can give you the benefit of any of their peculiar plans of making farm loans. Therefore I can make a farm loan quicker and at lower rates than any other agent in Webster county. I make option loans or straight loans for 1, 2, 3, 4, 5, 6, or 7 years, also on first class city property. Compare my terms before placing your farm loans, and save money and regrets. G. W. BARKER, Rear Red Cloud Nat'l Bank.

THE CHIEF has all of the new and elegant styles of type for job work. If you want a first-class job at hard time prices call and see us.

Red Cloud can boast of some of the finest blue grass lawns in the state. They are both numerous and handsome. There is no excuse now that people should not have fine yards.

Quite a number of Red Cloud boys were in Hastings Tuesday attending Burr Robbins' great wild west show. They will feel some tamer upon their arrival in this city.

THE CHIEF can't exactly imagine why south Seward street in Jackson's addition should be ditched out so much. It leaves the street railway high and dry and simply spoils the street.

We understand that Doc McKeoby has been chosen editor and manager of the Big 8 sheet. We apprehend that the docky will find his \$1800 chattel mortgaged outfit a heap of trouble before the snow flies.

Mr. M. R. Bentley has the finest patch of white clover we have ever seen in the west on his lots in the north part of the city. It does a fellows eyes good to feast upon the sight and puts him in mind of his old home "back yonder."

A correspondent wants to know "what has become of the poor house fund that was levied two or three years ago?" The levy was made in due form and there remained about \$900 in the hands of the county treasurer last January. What disposition has been made of it by the board we do not know. We do know that a poor house ought to be built and the county farm improved.

Mr. Henry Clarke of Albany, N. Y. president of the Nebraska & Kansas Farm Loan Co., with his wife and family, will arrive in the city tomorrow where they will remain for a few days.

P. L. Jeffers' little girl fell off of a stairway, in the rear of the Steeper block, a distance of twelve feet, on Tuesday but fortunately was not seriously injured. It was a very narrow escape.

Miss Lida Huffman has finished her school in Smith county. She leaves there recommended as a teacher and has the reputation of being a faithful worker. She will spend vacation at home.

The Cowles base ballists and a Red Cloud nine measured bats across the diamond in this city last Saturday. As usual this season the Red Cloud boys got scooped by a score of 32 to 24 in favor of Cowles.

Sheriff Scott of Red Cloud was arrested for contempt of court. He had levied on property held in the Supreme Court. He was promoted from prisoner to receiver of the property he had levied on.—Hendly Rustler.

The Red Cloud base-ballists complain of Blue Hill's courtesy, saying that they did not extend the usual compliments such as supper etc. When the Blue Hill chaps come to Red Cloud they may expect to be at home.

The tournament committee at Red wants it distinctly understood that there will be no entry fee charged for any prizes or premiums. All fire companies have the right to compete for any or all premiums for which they desire.

The Saunders—Lindsey case over little Mable Saunders was up again Wednesday and the day was principally occupied in arguing a motion to release the prisoners from custody. The motion was overruled and the case will go to trial this week again.

Dr. Denney has entered the field of journalism. The doctor is one of those whole-souled fellows who can readily apply himself to any position in life, and THE CHIEF hastens to congratulate him in his new and enlarged field of labor for the elevation of mankind.

The Red Cloud base ball club went to Superior Wednesday to play ball. Our boys report a fine game, which went in favor of the Superior boys 7 to 4. Red Cloud must get up a club that can beat somebody if they are going to play ball. Can't stand it to be beat all the time. No sir.

The board of education met on Tuesday and elected Mr. Gowdy of Pawnee City, Neb. as superintendent. The Misses Hulbert, Brown, and Culbertson, and Mrs. D. C. Myers were elected teachers. There are eight more to select. It takes something like \$5,000 to pay the teachers of our public schools in Red Cloud.

Jim Johnson the west end harlot was brought before Judge Swezey on Thursday on the charge of running a bagnio. The case was continued.

It is to be hoped that this city will make an effort to get rid of this class of people.

W. C. Picking, recently one of the editors of the Republican, and at present a heavy stockholder, has sued that concern for labor as editor. The amount claimed is \$125. The case has been set for hearing on Monday next. We imagine that the projectors of that much mortgaged concern feel something like the poet did when he exclaimed in agonizing tones: "Is there no hope, the sick man said, The silent doctor shook his head."

Eh, Docky.

We desire to say to our citizens, that for years we have been selling Dr. Kings new discovery for consumption, Dr. Kings new life pills, buckhams arnica salve and electric bitters, and have never handled remedies that sell so well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price if satisfactory results do not follow their use. These remedies have won great popularity purely on their merits.

A New Barber Shop.
S. T. VanHorn who is well known in this city, and who for the last year has tried his luck elsewhere, has returned to this city and has purchased the barber parlors of Robert Barkley. He has fitted them up in nice style and invites his old and new friends to call and see him. He will give you a shave or hair cut in the latest style of the art. 47-48

Carpeting Carpets!!

The greatest wonder of the 19th century, a carpet exhibitor showing just how a carpet will look when on the floor at F. V. Taylor's.

When in Red Cloud call at the furniture store of F. V. Taylor, opposite the P. N. bank, and pick you out a fine kit-chen or parlor suit.
